Obsession Nicole Madigan,2023-05-02 A gripping blend of memoir investigation and expert analysis Obsession takes a deep dive into the disturbing phenomenon of stalking Journalist Nicole Madigan was stalked for over three years The relentless and debilitating experience wreaked havoc in her personal and professional life leaving her trapped in a constant state of fear and anxiety Nicole uses her own story as an entry point to examine the psychology behind stalking behaviours and their impact on victim survivors Whether by a stranger acquaintance or former partner stalking can have a catastrophic effect on a victim survivor s mental social and financial wellbeing At its worst it can lead to physical violence even death In this timely and compelling enquiry Madigan explores the blurred lines between romantic interest and obsession admiration and fixation Through expert consultation and the personal stories of other victim survivors she analyses society s attitude towards stalking and its role in popular culture while highlighting the failings of the legal system in protecting victims

Social Media Marketing on Instagram.

Exploration of Strategic Perspectives Lisa Jessen,2018-06-20 Master s Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 7 University of Potsdam language English abstract With 800 million users worldwide Instagram is one of the world s leading social media platforms The reason for the increasing relevance of Instagram is its mobile local social and visual character which reflects how individuals are currently using social media and will continue to do so in the future Instagram s combination of emotional visual content story telling and interaction with the community also makes it a platform that allows brands to differentiate themselves from others to become unique in what are often very saturated markets While Instagram is a new application and previous research focuses mainly on long established social media platforms such as Facebook this thesis aims to explore the various strategic perspectives of successful social media marketing on Instagram by developing a theoretical frame work and presenting the practical strategies of three very different organisations in a multiple case study design The framework and the case studies prove that the five identified social media dimensions content marketing engagement marketing influencer marketing hashtags and Instagram advertising are applied in practice but are adapted very individual on each organisation its goals and its target group

Benefits of Influencer Marketing in Tourism Alina Fackler,2018-04-17 Seminar paper from the year 2018 in the subject Business economics Offline Marketing and Online Marketing grade 2 0 University of Applied Sciences Deggendorf language English abstract Nowadays it is a decisive role for the image of a company to be represented on social media because it is one of the most important type of media in today s time The influence of traditional media is declining

sharply Companies thus lose the opportunity to reach their target groups via these older communication channels At the same time almost 80% of adults are online and are spending daily 166 minutes on average in the web Consumers look at other consumers to inform themselves about products and services This is why a new segment of Marketing has developed so called Influencer Marketing It is a trend topic and many companies deal already with it Many tourism companies agree that Marketing of their offers is mostly online But customers do not exclusively inform themselves online Word of mouth from family and friends are still worth a lot Consequently the tourism companies cannot compete with personal relations Nevertheless there is an opportunity to work with bloggers and thus imitate the personal recommendation Most tourism experts are already actively using social media and look above all opportunities for stronger customer loyalty direct contact with customers but also for addressing new target groups The aim of the present work is to define Influencer Marketing and to work out the benefits for the tourism industry

Instagram Marketing Advertising Robert Grow,2020-10-16 At first some people get into Instagram to socialize and for fun Anyway it is a better way to share some of your personal photos and perhaps show off In addition Instagram can be used for an effective and fruitful marketing strategy Most of the people on Instagram are unaware that you can make their business more visible However this becomes better when you have clearly identified your niche Most of the prevalent niches are fashion health and fitness travel and tourism and beauty It should not be an issue if your business does not fall under any of these niches Start by evaluating the most appropriate niche for your business which makes you unique There is an Instagram niche for everyone whether you are a succulent grower food blogger nature lover or a travel marketer You just need to find your niche and stick to it Doing this may not be easy take time deliberating the best choice It also requires accuracy and patience For effective Instagram marketing You must be sure that the content you share through Instagram will reflect the values that you represent as a brand Being genuine can help you resonate well with your target audience You should be flexible without compromising your business goals Even though the strategies and tactics described in this book are proven effective you must still be open to experimenting to see which can really bring results You should always be mindful of your Instagram activities While you can outsource the job it is still your responsibility to make sure that your posts are beneficial to your brand and your activities can bring results Be on top of your online activities as it can make or break your business This guide will focus on the following Why use Instagram How Instagram works the different functionalities How to make a great Instagram account How to make money from Instagram page Why content needs to be effective Building a personal brand in 2019 How to do lead magnet on Instagram like a pro Creating an effective marketing strategy Why Instagram for social marketing Best apps to use to market your brand on Instagram Building value and setting up your account for success Common mistakes to avoid when marketing on Instagram The best tips for growing your Instagram business account AND MORE

The dangers of social media. How cancel culture and shitstorms can affect companies and how to recover from it Kira Mertens,2022-05-31 Bachelor Thesis

from the year 2020 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 1 Westfälische Hochschule Gelsenkirchen Bocholt Recklinghausen language English abstract The following Bachelor thesis is meant to analyze if and how cancel culture and shitstorms online especially on social media can affect companies and how affected companies can recover from the outcomes For avid social media users online shitstorms especially on the platform Twitter can frequently be witnessed It was therefore a very interesting topic to look further into to be able to understand what can trigger a shitstorm and what the consequences for companies could look like This thesis is also supposed to answer if or how a company can recover from a shitstorm if they were affected by one Furthermore it is meant to show what effective measurements could look like and if shitstorms could even be prevented in the first place and if yes how they could be prevented To achieve that the first step will be to take a closer look at what makes social media so important to businesses For that an insight on the most important social media apps and websites will be given After that the dangers of social media to companies will be analyzed The thesis will then continue by showing what makes shitstorms and cancel culture dangerous to a company To achieve that possible triggers of a shitstorm will be analyzed as well as what phases a shitstorm has and what possible outcomes could look like Furthermore a closer look will be taken at how consumers react to shitstorms by analyzing the results of a self made survey The survey was made to understand if and how consumers let shitstorms influence their buying decisions and if they would stop buying a certain product or brand if they were involved in a shitstorm Following that three companies Nestl Amazon and Nike which have already been at the center of a shitstorm will be analyzed as case studies To analyze the companies a closer look will be taken at the reasons for these shitstorms how each company was affected in terms of image and revenue and how they handled the situation Furthermore it will be explained if shitstorms could be prevented in the first place and how to successfully manage and recover from a shitstorm when affected by one For this a best practice example will be given in chapter 6
