*You and Your Profile* Hans-Georg Moeller, Paul J. D'Ambrosio, 2021-05-25 More and more we present ourselves and encounter others through profiles A profile shows us not as we are seen directly but how we are perceived by a broader public As we observe how others observe us we calibrate our self presentation accordingly Profile based identity is evident everywhere from pop culture to politics marketing to morality But all too often critics simply denounce this alleged superficiality in defense of some supposedly pure ideal of authentic or sincere expression This book argues that the profile marks an epochal shift in our concept of identity and demonstrates why that matters *You and Your Profile* blends social theory philosophy and cultural critique to unfold an exploration of the way we have come to experience the world Instead of

polemicizing against the profile Hans Georg Moeller and Paul J D Ambrosio outline how it works how we readily apply it in our daily lives and how it shapes our values personally economically and ethically They develop a practical vocabulary of life in the digital age Informed by the Daoist tradition they suggest strategies for handling the pressure of social media by distancing oneself from one's public face A deft and wide ranging consideration of our era's identity crisis this book provides vital clues on how to stay sane in a time of proliferating profiles

**The Likeability Trap** Alicia Menendez,2019-11-05 Be nice but not too nice Be successful but not too successful Just be likeable Whatever that means Women are stuck in an impossible bind At work strong women are criticized for being cold and warm women are seen as pushovers An award winning journalist examines this fundamental paradox and empowers readers to let go of old rules and reimagine leadership rather than reinventing themselves Consider that even competent women must appear likeable to successfully negotiate a salary ask for a promotion or take credit for a job well done and that studies show these actions usually make them less likeable And this minefield is doubly loaded when likeability intersects with race ethnicity sexual orientation and parental status Relying on extensive research and interviews and carefully examined personal experience The Likeability Trap delivers an essential examination of the pressure put on women to be amiable at work home and in the public sphere and explores the price women pay for internalizing those demands Rather than advising readers to make themselves likeable Menendez empowers them to examine how they perceive themselves and others and explores how the concept of likeability is riddled with cultural biases Our demands for likeability she argues hinder everyone s progress and power Inspiring thoughtful and often funny The Likeability Trap proposes surprising practical solutions for confronting the cultural patterns holding us back encourages us to value unique talents and styles instead of muting them and to remember that while likeability is part of the game it will not break you

**Instagram Marketing Advertising** Robert Grow, 2020-10-16 At first some people get into Instagram to socialize and for fun Anyway it is a better way to share some of your personal photos and perhaps show off In addition Instagram can be used for an effective and fruitful marketing strategy Most of the people on

Instagram are unaware that you can make their business more visible. However, this becomes better when you have clearly identified your niche. Most of the prevalent niches are fashion, health and fitness, travel and tourism, and beauty. It should not be an issue if your business does not fall under any of these niches. Start by evaluating the most appropriate niche for your business, which makes you unique. There is an Instagram niche for everyone, whether you are a succulent grower, food blogger, nature lover, or a travel marketer. You just need to find your niche and stick to it. Doing this may not be easy; it takes time deliberating the best choice. It also requires accuracy and patience. For effective Instagram marketing, you must be sure that the content you share through Instagram will reflect the values that you represent as a brand. Being genuine can help you resonate well with your target audience. You should be flexible without compromising your business goals. Even though the strategies and tactics described in this book are proven effective, you must still be open to experimenting to see which can really bring results. You should always be mindful of your Instagram activities. While you can outsource the job, it is still your responsibility to make sure that your posts are beneficial to your brand and your activities can bring results. Be on top of your online activities as it can make or break your business. This guide will focus on the following: Why use Instagram? How Instagram works, the different functionalities, how to make a great Instagram account, how to make money from Instagram, page, why content needs to be effective, building a personal brand in 2019, how to do lead magnet on Instagram like a pro, creating an effective marketing strategy, why Instagram for social marketing, best apps to use to market your brand on Instagram, building value and setting up your account for success, common mistakes to avoid when marketing on Instagram.
