The Art of Client Service Robert Solomon, 2016-03-17 A practical guide for providing exceptional client service Most advertising and marketing people would claim great client service is an elusive ephemeral pursuit not easily characterized by a precise skill set or inventory of responsibilities this book and its author argue otherwise claiming there are definable actionable methods to the role and provide guidance designed to achieve more effective work Written by one of the industry's most knowledgeable client services executives the book begins with a definition then follows a path from an initial new business win to beginning building losing then regaining trust with clients It is a powerful source of counsel for those new to the business for industry veterans who want to refresh or validate what they know and for anyone in the middle of the journey to get better at what they do

The Employer Brand Helen Rosethorn, 2016-03-23 The culture an organisation cultivates as an employer is just as important to its success as the brand image of its products or services A culture that is at odds with the organisation's commercial activities is a very powerful signal to customers employees and other stakeholders it is a signal that will impact on the employers sales market reputation share value and their ability to attract and retain the kind of employees that they need In fact employer branding is a complex process that involves internal and external customers marketing and human resource professionals Helen Rosethorn's book puts the whole topic into

context it explores some of the shortcomings of employer branding initiatives to date and provides a practical guide to the kind of strategy and techniques organisations need to embrace in order to make the most of their employer brand At the heart of the book is the concept of the strategic employee lifecycle and ways in which an organisation should engage with potential current and past employees The Employer Brand focuses on the experiences and perspectives of organisations that have applied employer brand practices It is a book about marketing and the relationship of customers and employees about culture and the need for fundamental change in the role of the human resources function about psychology and the changing aspirations of the next generation of employees and about hard nosed business and the tangible and intangible benefits of a successful employer branding strategy and how to realize them **How to Influence and Persuade** Jo Owen, 2012-12-14

Everyone operating in business needs to understand how they should be using both influence and persuasion to make an impact deliver outstanding results and really get ahead This brand new edition of How to Influence is structured into three easy to access sections that will show you how to create willing allies across your organisation turn potential crises into career defining opportunities turn disagreement into consent win key battles without fighting push your agenda forward with authority achieve more and stay in control Author Jo Owen is highly regarded as a world leading expert in business practise and skills Communication For Professionals ANATH LEE WALES, Book Description Unlock the power of effective
