**Fundamentals of Human Resource Management** Robert N.

Lussier, John R. Hendon, 2023-04-06 *Fundamentals of Human Resource Management Functions Applications and Skill Development* Third Edition helps students of all majors build the skills they need to recruit select train and develop people. Bestselling authors Robert N Lussier and John R Hendon explore the important strategic function HR plays in today's organizations. A wide variety of applications, online self assessments and experiential exercises keep students engaged and help them see the relevancy of HR as they learn skills they can use in their personal and professional lives. The Third Edition includes 13 new case studies and new coverage of virtual and flexible work resulting from the COVID 19 pandemic, the long lasting effects the pandemic has had on women in the workforce, artificial intelligence use within HR and diversity and inclusion.

Managing at a Distance Tom Coughlan, David J. Fogarty, Gary Bernstein, Lynda Wilson, 2024-02-26 The world of hybrid and remote management is a territory that has yet to be completely explored. This book provides some simple navigational aids to help managers and leaders find their way. Research indicates that over 56% of college graduates currently work either remotely or in a hybrid arrangement while prior to the pandemic less than 5% of working hours were remote. How to manage remote and hybrid workers has rapidly become a significant challenge and one that often requires new policies and organizational restructuring. The remote work handbooks available are tactical which can be helpful for day to day decisions but not to tackle larger issues and initiatives. This book presents a fully formed research backed strategic framework more than a vehicle to the future it will help leaders to understand where they are now and what is happening around them to change the landscape and to decide where they want to be. Speaking to senior executives and team leaders as well as business students this book will become the preferred tool for the development and evaluation of remote and hybrid management policy and strategy across industries.
