West,Thomas Crosbie,2021-10-12 This edited book demonstrates a new multidimensional comprehension of the relationship  
between war the military and civil society by exploring the global rise of paramilitary culture Moving beyond binary  
understandings that inform the militarization of culture thesis and examining various national and cultural contexts the  
collection outlines ways in which a process of paramilitarization is shaping the world through the promotion of new warrior  
archetypes It is argued that while the paramilitary hero is associated with military themes their character is in tension with  
the central principals of modern military organization something that often challenges the state s perceived monopoly on  
violence As such paramilitization has profound implications for institutional military identity the influence of paramilitary  
organizations and broadly how organised violence is popularly understood      **Hogg's Instructor** ,1851      *Hogg's Weekly Instructor* ,1851      *Good Housekeeping* ,1925      **Interior** ,1923      *The Saturday Evening Post* ,1907
