success **Sustainable Entrepreneurship and Family Business for Women's Empowerment** Gigauri, Iza, 2025-03-06
Sustainable entrepreneurship within family businesses offers a powerful platform for women's empowerment blending economic growth with social and environmental responsibility. As women continue to lead in family-owned enterprises, they drive innovation and profitability while improving sustainable practices that prioritize long-term well-being over short-term gains. By focusing on ethical business strategies, resource conservation, and community development, women entrepreneurs reshape industries while fostering inclusive growth. Family businesses provide a unique environment for women to influence business culture, integrate personal values, and create lasting legacies that contribute to both their personal empowerment and broader societal progress. Sustainable Entrepreneurship and Family Business for Women's Empowerment focuses on women's empowerment in entrepreneurship and provides a theoretical and practical framework for an inclusive society and gender equality in business. It emphasizes the importance of entrepreneurship and family business in fostering women's empowerment. This book covers topics such as skill development, sociology, and economics and economic theory and is a useful resource for business owners, entrepreneurs, sociologists, economists, academicians, and researchers. **Measurement and Safety** Béla G.
