and advice for note taking and using this notebook

Before Taking Notes

If you are able look over the text before you go to class to take notes This helps you to already have a mental picture of what you re about to learn Find a pen or pencil you like Having a writing utensil you enjoy using can make note taking more enjoyable Have a good positive attitude about the subject you are learning Having a good attitude helps you focus and remember what you are learning If you don t feel like being in class you are more likely to zone out or not pay attention

Note Taking Legend

This is where you can use colored pens to color in the color key next to each item You can use the color key when you review your notes

While Taking Notes

Main ideas column

You can use this column to record major sub headings dates key terms or items that may be very important

Notes column

Try not to record every word you hear It will be very difficult and it may actually distract you from paying attention If the speaker uses slides or handouts use those to focus on key points If the speaker does not then just listen for the key points You will get better with practice

After Taking Notes

Summary Section

It is a good idea to use this section to summarize what you just learned in your own words It will help you to remember the information Share with someone what you learned It is helpful to tell someone like a friend or family member what you learned It is another way to remember and to check for understanding Use colored sticky tabs to organize your notes for easier reference later

Test Review

This is where your colored pens comes in handy Using your color key and your pens go over your notes line by line Put a circle square or something around the item in your notes that matches your color key Using the colors helps your brain to pay attention and remember what you learned This will be the third time you have reviewed your notes By the time you take a test you would have reviewed the material at least 5 times

Looked over text before class Took notes during class Wrote your notes summary afterwards Shared what you learned with someone Used colored pens for test prep
