Religious Dance Ethan Parker, AI, 2025-02-24 Religious Dance explores how diverse faiths worldwide use dance in worship rituals and ceremonies It highlights dance as a potent form of spiritual expression and a means to connect with the divine Intriguingly dance serves not only as a prayer or meditation but also as a living archive preserving religious traditions and historical narratives across generations The book investigates how dance has evolved within specific religious contexts shaped by social and political factors It presents a comprehensive overview using historical accounts ethnographic studies and theological interpretations making it accessible to a broad audience The chapters progress from examining dances of invocation and celebration to those of initiation and transformation offering a global survey of religious dance traditions This approach emphasizes the lived experience of dance highlighting its personal and communal significance as a spiritual practice In conclusion Religious Dance presents dance as a unique language of the sacred It goes beyond conventional understandings of religion by emphasizing embodied practices in shaping religious identities It also makes interdisciplinary connections with fields like anthropology and musicology enriching its analysis and broadening its appeal

**Deepfakes** Graham Meikle, 2022-09-22 What happens when we can no longer believe what we see Show the AI technologies that create deepfakes enough images of a celebrity or a politician and they will generate a convincing video in which that person appears to say and do things they have never actually said or done The result is a media environment in which anyone s face and image can be remixed and manipulated Graham Meikle explains how deepfakes synthetic media are made and used From celebrity porn and political satire to movie mash ups and disinformation campaigns this book explores themes of trust and consent as face swapping software becomes more common Meikle argues that deepfake videos allow for a new perspective on the taken for granted nature of contemporary media in which our capacity to remix and share content increasingly conflicts with our capacity to trust The book analyses how such videos deepen the social media environment in which the public and the personal converge and in which all human experience
