Child Discipline in African American Families Carla Adkison-Johnson, 2021-02-22 In Child Discipline in African American Families Carla Adikison Johnson provides a contextual understanding of African American disciplinary practices giving clinicians child welfare professionals and legal professionals a framework to better define what is reasonable and functional when addressing child rearing concerns with African American parents Highlighting numerous sources cases narratives and data Adkison Johnson debunks the theory that spanking is the preferred method of child discipline for African American parents and provides new insights into how African American parents grapple with establishing parenting goals and child behavior expectations in a society that is often hostile toward African American children Accompanied by the perspectives of a seasoned trial lawyer the arguments in this book are brought to life enabling readers to witness how child rearing concerns can play out in a real world context containing minutes of evidence taken a Edinburgh, Glasgow, Greenock, Paisley, Ayr, and Kilnarnock Poor Law Inquiry Commission for Scotland, 1844

Virus Is a Language Chris Hables Gray, 2025-10-28 On how Generative AI and cults such as QAnon spread digitally and culturally follow the same rules as biological viruses Viruses can be biological digital or cultural All share basic viral properties that can be analyzed as a language with its own principles grammar and vocabulary which can help us achieve a better understanding of how they propagate and mutate This is crucial for controlling their impact on human society Generative AI the Covid 19 pandemic and QAnon are the case studies They are used to develop a full theory of Virus as a Language The goal is to foster a conversation on viruses in various parts of society And in some ways to learn to speak virus so as to better think through such concepts as percentages exponential growth infection immunization mutation agency and extinction The book will help concerned readers understand and navigate our strange complex world In particular it offers new insights on Generative AI COVID 19 and other pandemics to come Facebook QAnon and similar phenomena that impact almost everyone

Global Civil War William I. Robinson, 2022-06-14 Following up on his earlier best seller *The Global Police State* this exciting new study by critically acclaimed scholar and activist William I Robinson offers a big picture contribution to understanding contemporary global society in the aftermath of the coronavirus pandemic It puts forth an original and cutting edge expos of the radical transformation of global capitalism now underway driven by new digital technologies and turbo charged by the pandemic It provides shocking data and analysis on the concentration of power and control in the hands of corporate conglomerates tech giants mega banks and the military industrial complex The book documents the extent of unprecedented global inequalities as the mass of humanity faces violent dispossession and uncertain survival Enabled by digital applications the ruling groups unless they are pushed to change course by mass pressure from below will turn to ratcheting up the global police state to contain the global revolt If the book issues a dire warning against the emergence of a dystopic digitalized dictatorship it also finds great hope and inspiration in the burgeoning social movements of the poor and the dispossessed as humanity descends into global civil war While deeply

analytical and theoretically sophisticated the study is written in such a style that it is eminently accessible to a wider public beyond the academy While the work will satisfy scholars it is destined to become a companion text to those struggling on the frontlines for global social justice and a more hopeful future Journal of the American Medical Association ,1921

COVID-19 J. Michael Ryan,2020-12-30 The SARS CoV 2 virus and the associated COVID 19 pandemic is perhaps the greatest threat to life and lifestyles the world has known in more than a century The scholarship included here provides critical insights into the institutional responses communal consequences cultural adaptations and social politics that lie at the heart of this pandemic This volume maps out the ways in which the pandemic has impacted most often disproportionately societies the successes and failures of means used to combat the virus and the considerations and future possibilities both positive and negative that lie ahead While the pandemic has brought humanity together in some noteworthy ways it has also laid bare many of the systemic inequalities that lie at the foundation of our global society This volume is a significant step toward better understanding these impacts The work presented here represents a remarkable diversity and quality of impassioned scholarship and is a timely and critical advance in knowledge related to the pandemic This volume and its companion COVID 19 Volume I Global Pandemic Societal Responses Ideological Solutions are the result of the collaboration of more than 50 of the leading social scientists from across five continents The breadth and depth of the scholarship is matched only by the intellectual and global scope of the contributors themselves The insights presented here have much to offer not just to an understanding of the ongoing world of COVID 19 but also to helping us re build and better shape the world beyond *Scientific American* ,1881 South African Nursing Record ... ,1927 **The Spectator** ,1922 A weekly review of politics literature theology and art **Philippine Islands; Extracts from Debates** United States.
