Catholic Prophecy:

The Last Pope Robert Howells, 2013-06-20 A historian dissects the prophecies of a Nostradamus like seer who suggests the end of the papal throne and the beginning of a new era in the Roman Catholic Church Nearly a thousand years ago the Archbishop of Armagh later canonized as St Malachy made a series of prophecies that were hidden in the Vatican for four hundred years His predictions gave clues to the identities of the 109 Popes from medieval times to present day including the final Pope who would oversee the end of the Papacy and the fall of the Roman Catholic Church *The Last Pope* examines the sudden rediscovery of these prophecies in the sixteenth century how they may have been used as propaganda in the campaign to promote Pope Gregory XIV to the papal throne and how the 2013 papal election may have been our last Robert Howells has spent the last twenty years researching and writing about religious and historical mysteries By drawing on his extensive knowledge of both the political and spiritual history of the Catholic Church he places Pope Francis in the context of what will potential be the most challenging era for the papacy *The Last Pope* seeks to answer questions surrounding the future of the Catholic church offering an investigating that will fascinate readers who are fascinated by the unresolved mysteries in the history of Christianity **Prophecy For Today** Edward Connor, 1985 [Will Catholics Be Left Behind?](#)

Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling *Left Behind* books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how *Left Behind* creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits *Envoy* magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book *A Catholic Critique of Dispensationalism* focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature

of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah *Catholic Prophecy* Yves DuPont,1994-02 In our opinion this is the best book of prophecy in print Covers the Great Catholic Monarch the Holy Pope and the period before Antichrist with excellent commentaries by Dupont It seems totally impossible that so many prophecies from various countries and different centuries should all speak about the same time and the same historical characters Shows the coalescing of Saints prophecies on our times and our immediate future 125 Pp PB **The Prophets and Our Times** R. Gerald Culleton,Brother Hermenegild,2013-09-08 Originally written in the early 1940 s this book is even more appropriate for those studying prophecy today Any serious student of Catholic Prophecy should possess several books and this one is near the top of the list They should also have The Apocalypse of Saint John by E Sylvester Berry and The Book of Destiny by Herman Bernard Kramer Culleton s other work The Reign of Antichrist is also very useful in carrying study forward In the 19th century James Ratton wrote two books Essays on the Apocalypse and The Apocalypse of Saint John His works should also be consulted by the serious student of Catholic prophecy Father Culleton begins with an overview of the prophecies and his prophetic time line He then proceeds to the prophecies in chronological order with very few comments which are easily recognizable Culleton has gathered together a sizable number of prophecies His conclusions may be out of date but the prophecies themselves are more important today than they were in the middle of the last century when Culleton compiled them He discusses the Great Monarch and the Angelic Pastor He also touches on Antichrist In fact he subtitles this book Signs that Precede the Antichrist Culleton reports the following prayer from a priest in Rome in 1936 O Jesus Divine Saviour Be merciful be merciful to us and to the whole world Amen Powerful God Holy God Immortal God Have compassion upon us and upon the whole world Amen Eternal Father show us mercy in the name of the Precious Blood of Thy Only Son show us mercy we implore Thee Amen Although he does not mention Sister Faustina one can easily see the tie in

with the devotion to the Divine Mercy she was led by Almighty God to promote Culleton reports a Franciscan Father in Arizona as stating Don Bosco's prophecy The Pope will die and live again refers to the peculiar circumstances surrounding Pius XI and Pius XII when the former died Fides Intrepida died but when Pius XII his Secretary of State was elected Fides Intrepida lived again Pius XII according to this would not be the Pastor Angelicus at least not the one who would rule with the Great Monarch With the speculation about Saint Malachy's prophecies of the popes this student of Catholic Prophecy may wish to investigate this and two other prophets Saint John Capistrano and the Monk of Padua that Culleton quotes as describing the last Popes in history End Times Prophecies a Catholic Perspective Michael Freze, 2016-03-01 FROM A BESTSELLING AUTHOR and recognized scholar A Catholic perspective on end times prophecies Includes end time Bible prophecy on the chastisement three days darkness the tribulation the Antichrist and the second coming of Christ Ancient and recent prophecies from the Bible the mystics and the saints Unlike countless books today which deal with current world events related to prophecy predicting specific dates for the rapture and the return of Christ this book sets the background on prophetic messages throughout Church history in a well balanced informative manner An inspiring read A recent endorsement I have to say that of the many books I have read having multiple degrees in theology including my Doctorate from Columbia University your *They Bore the Wounds of Christ The Mystery of the Sacred Stigmata* is one of my all time favorites In fact not only do I continue to refer to it but there are certain passages that you explain that could only be attributable to infused divine inspiration Please continue to write Peace Deacon Mike Vicinanza April 17 2016 **Christian Prophecy** Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt

shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God s salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work

The Last Pope Ph. D. Bob Thiel,2013-03-01 Many believe that Pope Benedict XVI was number 111 of the 112 popes prophesied by the Catholic saint and Bishop Malachy Some have said that there would only be 112 and since Pope Francis I is after Pope Benedict XVI this could make him 112 Peter the Roman the last pope the pope who Bishop Malachy said would oversee the destruction of Rome and this is consistent with biblical prophecy Catholic prophecies also tell of an antipope who will betray that faith Could this really be Pope Francis I Is Pope Francis I possibly the Antichrist What will happen in the future if he or a successor is

When Mary and the Saints Spoke About the Anti-Christ Angelita Felixberto,2021-06-30 The book is divided into two parts The first one talks about my mystical experiences in relation to four Marian apparitions It talks about almost a uniform warning about a period of chastisement and how current events seem to fit the bill The second part of the book deals with what four saints have talked about pertaining to the anti Christ There was a prophecy that the Vatican will apostatize Some references by the Saints seem to reflect it so

Antichrist and the End Times Rev. Joseph Iannuzzi, Perhaps no Christian prophecy carries with it the drama and intrigue than that of the coming of the Antichrist history s quintessential demonic tyrant His brief but terrible reign is to come at the climax of a spiritually dark age in man s history Indeed the 20th century alone saw three popes comment on the appearance and rise of the Antichrist Pius X Paul VI and John Paul II fueling speculation that his reign was near Today as the world sinks deeper into moral depravity and intellectual confusion talk of the Antichrist s rise again fills the air Christian leaders believe this is because the signs of his coming heresy apostasy and iniquity have reached unparalleled levels So is the coming of the Antichrist right around the corner In this powerful book Antichrist and the End Times Fr Joseph Iannuzzi takes a hard look at this prophecy its history and the conditions necessary to bring about its fulfillment offering readers a unique glimpse at an eschatological mystery rooted in the Book of Revelation This is a book you won t be able to put down

,2009 Prophecy in the Making II Horacio A. Villegas,2014-02-07 Based on the blog Prophecy In The Making this is a follow up version to the first book that was published back in September 2012 It covers the Illuminati influence throughout culture and attempts to decipher their plans for the short and long term future It also covers how Catholic prophecy is also currently being fulfilled through the fact that there are two popes in Rome How many Catholic prophets and seers warned about the time when there would be two sitting popes during the coming world war A true pope and a false one *Catholic Christianity in Evolution* Alan Sage,2021-06-01 Christianity and its theological and spiritual underpinnings does not fulfil the needs of people living in a rapidly changing world For all its good intention the Catholic Church has failed to provide the necessary religious tools to its congregants and wider Catholic community to confront the ecological and environmental problems that confront mankind This book sets out the required parameters of spirituality within an evolutionary world context linking the theological with the practical under the aegis of the Jesuit Pierre Teilhard de Chardin His writings promote a concept of God at the centre of the world we live in a Christian way of living fully engaged At the heart of Teilhard s world view are creation evolution and the environment He provides the spiritual tools to understand a God that is in real effect our evolving world and our actions toward it In looking after God s world through our daily commitment we meet the needs of the whole of creation And this makes Christian faith truly meaningful and of direct relevance to our living in the world Indeed the second encyclical of Pope Francis Laudato si with its care for our common home message is Teilhardian in its outlook Likewise the Pope s sacrament of the brother teaching Because of the inextricable link between human activity and the creative work of God Teilhard saw all human endeavour as holy Herewith the Ignatian theme of finding God in all things coupled with a cosmic approach to redemption and the notion of ongoing divine creativity Teilhard s vision is a template for understanding our place in the world our intimate relationship to the whole of creation and our responsibilities to the environment and to each other Teilhard asks us to face the challenges of a rapidly changing world as co creators with God a tremendous privilege but also an awesome responsibility An Appendix lists all of Teilhard s writings and their publication sources divided into five main sections and further subdivided by topic an indispensable resource tool for Teilhard scholars and for readers familiar with *The Divine Milieu* and *The Human Phenomenon* Prophecies and the Prophetic Spirit in the Christian Era Johann Joseph Ignaz von Döllinger,1873 **Prophetic Obedience** Hinze, Bradford E.,2016-03-08
