Catholic School Governance And Finance:

Catholic School Governance and Finance. [Volume V.] Catholic Schools for the 21st Century Frederick H. Brigham (Jr.), James Heft, Rosemary Hocevar, Carleen Reck, Lourdes Sheehan, 1991-01-01 Part of a six volume series of theme papers commissioned for the National Congress on Catholic schools for the 21st century November 6 10 1991 this document contains two of the theme papers In Catholic Identity and the Future of Catholic Schools James Heft considers several ways to think about Catholic identity describes the historical development of Catholic schools in the United States and outlines four possible scenarios for the future of Catholic education The second paper Catholic Identity by Carleen Reck discusses how the Catholic school needs to understand its identity before it can clarify its relationship with the church and society This relationship can then suggest some possible directions for the future The document concludes with a study and discussion guide and biographical information about the authors KM

Effective Fund Development and Governance Strategies for American Catholic Schools Anthony F. Piscitiello, 2014 This research was undertaken to explore the roots of America's Catholic school system its rise into the overall education system and to uncover the main reasons for the system's breakdown The focus of this research will be on the governance and financial models that Catholic schools have used or are currently using The literature revealed that after its peak in the mid 1960s Catholic schools have shown a steady decline and this prompted many Catholic leaders to start finding alternative ways to stop the bleeding and to revitalize the remaining Catholic schools One thing is evident the old governance and financial models which relied heavily on parish subsidies are outdated and virtually unsustainable New visionary leadership governance and finance models are needed within the Catholic school system and alternative revenue sources must be identified and developed in order to bring about the survival and preservation of the American Catholic school

The Praeger Handbook of Faith-Based Schools in the United States, K-12 Thomas C. Hunt, James C. Carper, 2012-08-06 Exploring a subject that is as important as it is divisive this two volume work offers the first current definitive work on the intricacies and issues relative to America's faith based schools The Praeger Handbook of Faith Based Schools in the United States K 12 is an indispensable study at a time when American education is increasingly considered through the lenses of race ethnicity gender and social class With contributions from an impressive array of experts the two volume work provides a historical overview of faith based schooling in the United States as well as a comprehensive treatment of each current faith based school tradition in the nation The first volume examines three types of faith based schools Protestant schools Jewish schools and Evangelical Protestant homeschooling The second volume focuses on Catholic Muslim and Orthodox schools and addresses critical issues common to faith based schools among them state and federal regulation and school choice as well as ethnic cultural confessional and practical factors Perhaps most importantly for those concerned with the questions and controversies that abound in U S education the handbook grapples with outcomes of faith based schooling and with the choices parents face as they consider educational options for their
