## **Catholic Youth Ministry The Essential Documents:**

These documents enable the informed youth ministry leader to transform vision into reality. This sourcebook is a treasure of collected wisdom. *Teaching Activities Manual for Breakthrough! the Bible for Young Catholics* Rick Keller-Scholz, Jeannie Pomanowski, 2006. Each chapter includes these features: an overview of the character; scripture passages related to the character; Breakthrough articles that pertain to the character; a list of similarities between young adolescents and the biblical figure; biblical quotes that point to God's presence in the character's story; and a Getting to know the biblical character activity or activities that explore who the biblical character is and makes connections between his or her relationship with God and the young people's own life experience. Back cover. **Authenticity, Passion, and Advocacy** Thomas E. Malewitz, 2020-07-08. Adolescence can be best summarized as a time of authenticity, passion, and advocacy. As adolescents start maturing on a life journey that leads them away from dependence on their parents to becoming an independent adult, they often seek out honest and transparent mentors to learn from and trust for wisdom and guidance. Although Thomas Merton, the celebrated spiritual author and Cistercian monk, is better remembered for his writings on ecumenism, nonviolence, and advocacy, he also had several documented correspondences with adolescents throughout his life. By examining these artifacts, it is clear that Thomas Merton had great insight into the spiritual needs and challenges of adolescents. Throughout his life, Merton's authentic struggles often parallel the searching nature that defines adolescent spirituality. Through scholarship and practice, this book will explore how the life and writings of Thomas Merton may serve as a guide and bridge for ministers of adolescents and will offer some practical suggestions for ministers, educators, and parents on topics affecting contemporary adolescents through the lens of Thomas Merton's life and writings. **Children and Childhood in American Religions** Don S. Browning, Bonnie J. Miller-McLemore, 2009-02-16. Whether First Communion or bar mitzvah, religious traditions play a central role in the lives of many American children. In this collection of essays, leading scholars reveal for the first time how various religions interpret, reconstruct, and mediate their traditions to help guide children and their parents in navigating the opportunities and challenges of American life. The book examines ten religions among other topics: How the Catholic Church confronts the tension between its teachings about children and actual practice; The Oglala Lakota's struggle to preserve their spiritual tradition; The impact of modernity on Hinduism. Only by discussing the unique challenges faced by all religions and their followers can we take the first step toward a greater understanding for all of us. **The Catholic Library World** John
