**The Bishops and Nuclear Weapons** James E. Dougherty, Institute for Foreign Policy Analysis, 1984  
**Catholic Bishops in American Politics** Timothy A. Byrnes, 2014-07-14 Over the past twenty years the American Catholic bishops have played a leading role in the antiabortion movement published lengthy and highly detailed pastoral letters on nuclear weapons and on the American economy and involved themselves collectively and individually in several national election campaigns What is the source of the sometimes controversial political role of these religious leaders Timothy Byrnes proposes a new answer in this lucid description of the National Conference of Catholic Bishops and its activities He demonstrates that the key to the political role of the bishops and other modern American religious leaders has been political change rather than religious revival Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Nuclear Weapons And The American Churches** Donald L. Davidson, 2019-03-04 This book describes the positions advocated by ethicists and churches in the public debate on nuclear weapons After tracing the development of just war theory the dominant moral position on war in Western thought Dr Davidson synthesizes the views of contemporary ethicists on the moral principles associated with the just war tradition He then documents the postures of Reinhold Niebuhr Paul Ramsey Michael Walzer and James Turner Johnson with regard to the first use and retaliatory use of nuclear weapons deterrence policy the nuclear freeze proposal the arms race and disarmament The positions endorsed by the Roman Catholic Church and the major Protestant and Jewish denominations in the United States on the issues of nuclear warfare are described in detail with extensive treatment given to the development of the Catholic Bishops 1983 pastoral letter on war and peace and the statements of churches affiliated with the National

Council of Churches The views of over 30 denominations representing more than 110 million members are considered The final chapter of the book contrasts the stance of the churches with that of the Reagan Administration Proposing guidelines for a moral defense policy in the nuclear age Dr Davidson s thesis is that national security requires a recognition of the need to protect and preserve values worth defending while simultaneously taking steps to prevent nuclear war Just War and Ordered Liberty Paul D. Miller,2021-01-07 When is war just What does justice require Miller draws from the intellectual history of just war to assess contemporary warfare **The Story of Religion in America** James P. Byrd,James Hudnut-Beumler,2021-11-30 Written primarily for undergraduate classes in American religious history and organized chronologically this new textbook presents the broad scope of the story of religion in the American colonies and the United States While following certain central narratives including the long shadow of Puritanism the competition between revival and reason and the defining role of racial and ethnic diversity the book tells the story of American religion in all its historical and moral complexity To appeal to its broad range of readers this textbook includes charts timelines and suggestions for primary source documents that will lead readers into a deeper engagement with the material Unlike similar history books The Story of Religion in America pays careful attention to balancing the story of Christianity with the central contributions of other religions **Palmer V.
