Catholic Response:

The Catholic Response Peter M. J. Stravinskias, 1985 Cross-Examined: Catholic Responses to the World's Questions Fr. Carter Griffin, 2021-08-16 While social norms and political movements are rapidly changing the truth of the Catholic faith stands firm In *Cross Examined Catholic Responses to the World's Questions* readers are equipped to address even the most sensitive topics from the existence of God to the existence of hell from women's ordination to Marian devotion from assisted suicide to transgenderism In *Cross Examined* Fr Carter Griffin begins each discussion not with Catholic teaching but rather with its most common objections Articulating these objections serves several purposes First it helps Catholics to respect those who do not share their beliefs by identifying intelligent grounds for disagreement Pointing out objections also helps believers respond more persuasively in discussions with non Catholic friends Perhaps most importantly knowing the common objects instills confidence that the Church is committed to the truth and unafraid to engage with those who dispute her teaching After identifying principal objections each discussion continues with a brief summary of relevant Catholic teaching and then responds to each objection in turn In our shrill age that seems ever less capable of rational discourse the method used in *Cross Examined* can offer a way to remain faithful to our beliefs while acknowledging respecting and responding to alternative points of view

Salvation Outside the Church? Francis A. Sullivan, 2002-09-03 When in 1949 Fr Leonard Feeney SJ accused the Archbishop of Boston Richard J Cushing of heresy for holding that Jews and Protestants could be saved he backed up his charge by producing passages from the writings of fathers of the church such as St Augustine of eminent theologians such as St Thomas Aquinas and from the decrees of popes and councils to prove that it was a dogma of faith that there is no salvation outside the Catholic Church He did seem to have the weight of evidence on his side and it was not easy to see how the modern idea that non Catholics can be saved could be reconciled with the church's traditional doctrine that excluded them from salvation Many in the Catholic Church have felt that while Feeney must surely have been wrong the questions he raised were never satisfactorily answered Is it really a dogma of Catholic faith that there is no salvation outside the church Can the optimism of Vatican II about the universal possibility of salvation be defended as an example of homogeneous development of doctrine Or would it be more honest to say that the Catholic Church has recognized that its previous teaching was mistaken The author is convinced that the only way to answer such questions is by a thorough study of the history of Christian thought about the salvation of those outside the church Rev Sullivan makes this historical study a lively reading experience while drawing conclusions that will impact ecumenical thinking for years to come

Call and Response John Francis Collins, 2010 Co published with the Catholic Enquiry Centre this book is designed to assist and encourage those who in response to perhaps an indefinable urging or call wish to know more about the Catholic faith It is also a welcome resource for those who have been Catholics for many years and wish to understand better the key aspects of their faith

A Catholic Response to the Jehovah's Witnesses Jennifer Moorcroft, 2014-07-16 A Catholic Response to the

Jehovah's Witnesses is a departure from the author's usual subject of books and articles on aspects of Catholic spirituality. Having met with many Witnesses over the years, she was prompted to write the book as a response to them. It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings. It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovah's Witnesses and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church.

What Do You Want to Know? Donald Wuerl, 2018. You've probably heard statements such as these: "There is no God. I'm spiritual but not religious." Science has made religion obsolete. Cardinal Donald Wuerl can help you navigate these often difficult conversations. In *What Do You Want to Know*, Wuerl addresses twenty-six of today's most common misconceptions of the faith and the Church and offers everyday Catholics encouragement for framing responses in a way that can be an invitation to friendship. Many Catholics are confronted with statements and questions that challenge their faith. Employing a conversational tone and friendly style, *What Do You Want to Know* sets out to answer each one, responding as Wuerl says to friends who think they are enemies. A work of popular apologetics, Wuerl tackles each concern, explaining, illuminating, and challenging all who read *What Do You Want to Know* with the truth of the Christian faith and the essential purpose of the Catholic Church in the world today. He also takes the pressure off people who may not feel able to provide philosophical proof of God's existence by telling them that their personal experience of faith in God can be just as or perhaps even more effective. Those who pose challenging questions or statements will be drawn into conversation by Wuerl's thoughtful answers. Catholic educators, pastors, parish leaders, and parents also will find the book to be essential for their use in catechesis and evangelization.

Answer Me This! Patrick Madrid, 2003-09-01. So why do Catholics say Mary remained a virgin? Refuse to rely on Scripture alone. Teach papal infallibility. Worship saints and bow down to their graven images. Claim the wafer is really Jesus. And bottom line again and again: Where in the Bible does it say? When some folks have questions about Catholicism, they're more than merely curious. They want to take a jab at your beliefs as they try to persuade you to accept theirs. Door-to-door proselytizers are trained to ask hot-button questions. They proclaim to know what many Catholics can't articulate. Now author EWTN television host and noted apologist, defender, and teacher of Catholic doctrine, Patrick Madrid has compiled tough questions Catholics face. They are questions he and others have been confronted with time and again. He presents solid, Bible-based, easy-to-understand and easy-to-explain answers. Here is how to calmly, charitably, and effectively respond. Discover the answers to some questions you may have wondered about yourself.

The Catholic Reaction in France Denis Gwynn, 1924. [American Religious Responses to Kristallnacht](#) M. Mazzenga, 2009-07-20. This book examines how American Protestants, Catholics, and Jews responded to the persecution of Jews in Germany and German-occupied territory in the 1930s. The essays focus on American religious responses to Kristallnacht and represent the first examination of multi-religious group responses to the beginnings of the Holocaust.

[Six Theories of Justice](#) Karen Lebacqz, 1987-01-01. There

may be no more urgent cry today than that of justice and no more frequent accusation than that of injustice But what is meant when these terms are used Six Theories of Justice clarifies that question and offers major alternative answers Dr Lebacqz surveys three philosophical approaches to justice John Stuart Mill's utilitarianism the contract system of John Rawls and the entitlement views of Robert Nozick These are followed by analysis of three theological approaches that of the National Conference of Catholic Bishops of Reinhold Niebuhr and of the liberation theologian Jose Porfirio Miranda A comparison of the effectiveness of each approach in providing direction for facing and dealing with contemporary issues and situations adds to the usefulness of this volume A lucid and well structured introduction to recent thinking in social ethics

Colin Buchanan, 2018-10-17 Fifty two years ago in 1966 Archbishop Michael Ramsey of Canterbury visited Rome and agreed with the Pope to inaugurate an Anglican Roman Catholic theological dialogue Three phases of the Anglican Roman Catholic International Commission ARCIC resulted and continue to this day ARCIC I agreed on a statement on Eucharistic Doctrine in 1971 and an Elucidation of it in 1979 The Vatican declined full endorsement of these and in 1994 ARCIC II produced Clarifications of them which the Vatican accepted as sufficient Colin Buchanan who himself published the 1971 Statement in England has followed the international dialogue closely since 1971 He here prints all the relevant texts and examines in detail the attempted reconciling of traditional Roman Catholic eucharistic belief and Anglican reformed doctrine His study includes Apostolicae curae and Malines and in the modern era follows public and synodical debate and the question of reception Three unprecedented unique features are first a diachronic study of the one doctrine second a fair regard for reformed Anglican beliefs and third a relating of dogmatic theology to eucharistic liturgy The history prompts the question that forms the book's title and close following of that history also provides the answer Catholicism and Politics in Communist Societies Sabrina P.
