Catholic Tradition Before And After Vatican II 1878 1993:

The Catholic Tradition Timothy McCarthy, 1994 Catholicism in the Third Millennium Thomas P. Rausch, 2003 What is Catholicism Where is the Church headed in the third millennium These questions provide the structure for this book which combines a faithful presentation of the tradition as well as a critical theological reflection of where the Church is today and where it might be moving

Historical Dictionary of Catholicism William J. Collinge, 2021-08-15 This work covers the whole history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The Historical Dictionary of Catholicism Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism

Wingless Chickens, Bayou Catholics, and Pilgrim Wayfarers L. Lamar Nisly, 2011 Flannery O Connor Tim Gautreaux and Walker Percy are all Catholic writers from the South and seem to embody very fully both parts of that label Yet as quickly becomes clear in their writing their fiction employs markedly different tones and modes of addressing their audience O Connor seems intent on shocking her reader whom she anticipates will be hostile to her deepest beliefs Gautreaux gently and humorously engages his reader inviting his expected sympathetic audience to embrace the characters needed moral growth Percy satirically lampoons an array of social ills and failings in the Church as he tries to get his audience laughing with him while he makes his deadly serious point about the flaws he finds in the church and larger culture Why do these three writers assume such divergent images of their audience Why do texts by three writers who each embrace their Southern locale and their Catholic beliefs seem to have so little in common To answer these questions Nisly helps readers understand these authors fiction by examining the role that place and time had in shaping each author s idea of an audience and by extension his or her manner of addressing that audience More specifically Nisly focuses on each author s experience of Catholic community and each author s placement in relation to the Second Vatican Council Linking together biographical information and a reading of their fiction Nisly argues that O Connor s Gautreaux s and Percy s sense of audience has been shaped in significant ways by each author s own local experience of Catholicism in his or her home region as well as the larger global changes of Vatican II that transformed Roman Catholicism

What are They Saying about Fundamentalisms? Peter A. Huff, 2008 This is the age of fundamentalism An axis of sacred rebellion cuts through modern experience challenging all who would accommodate religion to secular culture and a dictatorship of relativism Sometimes violent always militant fundamentalists have profoundly transformed the religious landscape of modern society This book offers a critical and empathetic survey of the world s major

A History of Celibacy Elizabeth Abbott,1999 Celibacy is a worldwide practice that is often adopted rarely discussed Now in Elizabeth Abbott s fascinating and wide ranging history it is examined in all its various forms shaping religious lives conditioning athletes and shamans surfacing in classical poetry and camp literature resonating in the voices of castrati and permeating ancient mythology Found in every society of the past practiced by both the anonymous and the legendary St Catherine Joan of Arc Leonardo da Vinci Elizabeth I Gandhi celibacy has as many stories as adherents and Abbott weaves them into a provocative

seamless tapestry that brings history alive **A Scientific Theology** Alister E. McGrath, 2003 Written by Alister McGrath one of the world's best known theologians these volumes present the most extended and systematic exploration of the relation between Christian theology and the natural sciences ever undertaken Thoroughly ecumenical in approach A Scientific Theology is a significant work for Catholic Orthodox and Protestant readers Each volume is marked throughout by a sustained critical engagement with the history and philosophy of the natural sciences and by a passionate commitment to the legitimacy of theology as an academic discipline Volume 3 provides a fresh evaluation of the origins and place of theory in Christian theology Dealing with the question of how reality is represented in Christian theology and the natural sciences theory is understood as a response to experienced reality a communal beholding of reality Against those who might favor a non dogmatic Christianity McGrath argues that the Christian community is under an intellectual obligation to give an account of what it corporately beholds The many theoretical issues addressed in this volume include the manner in which closure is secured in theological theorizing the problem of reductionism in theoretical analysis the explanatory dimensions of theology the implications of the stratification of reality for its representation the place of metaphysics in Christian theology and the nature of revelation itself Book jacket
