Catholicism Today:

Catholicism Today Evyatar Marienberg, 2014-08-07 Catholics are not Christians They worship Mary They do whatever the pope says They cannot divorce They eat fish on Fridays These flawed but common statements reflect a combined ignorance of and fascination with Catholicism and the Catholic Church *Catholicism Today* An Introduction to the Contemporary Catholic Church aims to familiarize its readers with contemporary Catholicism The book is designed to address common misconceptions and frequently asked questions regarding the Church its teachings and the lived experience of Catholics in modern societies worldwide Opening with a concise historical overview of Christianity in general and Catholicism in particular the text explores the core beliefs and rituals that define Catholicism in practice the organization of the Church and the Catholic calendar as well as the broad question of what it means to be Catholic in a variety of cultural contexts The book ends with a discussion of the challenges facing the Church both now and in the coming decades Also included are two short appendices on Eastern Catholicism and Catholicism in the United States *New Evangelization* Cardinal Donald Wuerl, 2013-01-16 This is a new moment in the life of the Church a new Pentecost It s our turn now to share the great gift we have been given the gift of our Catholic faith and renew the face of the earth Cardinal Donald Wuerl For the first time since the term New Evangelization was coined by Blessed John Paul II 250 bishops from all over the world were called to Rome by Pope Benedict XVI to discuss it define it and determine what it really means to Catholics today In an exclusive first hand summary of the three week Synod a leader of the gathering Cardinal Donald Wuerl provides a succinct specific and tactical roadmap for where Catholics and parishes and dioceses go from here including What s the point The three most important priorities of the New Evangelization What am I up against The three isms that get in the way of sharing and growing the Faith What do I do How to galvanize people around one simple truth of the Gospel message Where it all began The four theological foundations of the New Evangelization Learning from the best The four characteristics of great evangelizers In addition to personal and group reflection questions at the end of every chapter Cardinal Wuerl also shares his own personal faith sharing experiences with non Catholics and Catholics alike and how the insight he gained shaped his own view of the New Evangelization A must read for all parish communities **American Catholics Today** William V. D'Antonio, 2007 *American Catholics Today* presents trends in American Catholic opinion from 1987 to 2005 using four identical surveys These surveys depict trends in Catholics views of the sacraments church authority church teachings in the area of sex and gender and strength of Catholic identity This book suggests that the future will see more Catholics making decisions about their own faith and fewer Catholics who are fervently committed to church life Catholicism Today Matthew F. Kohmescher, 1999 Easy to read basic introduction to Catholic teaching on theological and social matters of general concern For classroom and individual use Includes bibliography and discussion questions *Catholic Activism Today* Maureen K. Day, 2020-06-09 Uncovers why Catholic organizations fail to foster civic activism The American Catholic Church boasts a long history of

teaching and activism on issues of social justice In the face of declining religious and community involvement in the twenty first century many modern day Catholic groups aspire to revive the faith as well as their connections to the larger world Yet while thousands attend weekly meetings designed to instill religiosity and a commitment to civic engagement these programs often fail to achieve their more large scale goals In Catholic Activism Today Maureen K Day sheds light on the impediments to successfully enacting social change She argues that popular organizations such as JustFaith Ministries have embraced an approach to civic engagement that focuses on mobilizing Catholics as individuals rather than as collectives There is reason to think this approach is effective these organizations experience robust participation in their programs and garner reports of having had a transformative effect on their participants lives Yet Day shows that this approach encourages participants to make personal lifestyle changes rather than contend with structural social inequalities thus failing to make real inroads in the pursuit of social justice Moreover the focus on the individual serves to undermine the institutional authority of the Catholic Church itself shifting American Catholics perceptions of the Church from a hierarchy that controls the laity to one that simply influences it as they pursue their individual paths Drawing on three years of interview survey and participant observation data Catholic Activism Today offers a compelling new take on contemporary dynamics of Catholic civic engagement and its potential effect on the Church at large

The Catholic Moral Tradition Today Charles E. Curran, 1999-04-05 The Catholic tradition has always tried to explain its theology in a coherent and systematic way but the great changes and tensions existing within Catholic moral theology today have made it difficult to develop systematic approaches to what was once called fundamental moral theology Now a leading scholar active in this field for forty years offers a synthesis of Catholic moral theology set in the context of the broader Catholic tradition and the significant developments that have occurred since the Second Vatican Council Charles E Curran's succinct coherent account of his wide ranging work in Catholic moral theology points out agreements disagreements and changes in significant aspects of the Catholic moral tradition His systematic approach explores major topics in a logical development the ecclesiological foundation and stance of moral theology the person as moral subject and agent virtues principles and norms conscience and decision making and the role of

the church as a teacher of morality Curran s work condenses and organizes a large amount of material to show that the Catholic theological tradition is in dialogue with contemporary life and thought while remaining conscious of its rich history Of great interest to theologians for its broad synthetic scope this book is also a thorough introduction to the Catholic moral tradition for students and interested readers including non Catholics **Catholicism Today** Matthew F. Kohmescher,1980 A survey of Catholic belief and practice **Change and Confusion in Catholicism** Nathan R. Kollar,2022-10-07 We live in a liminal time The anthropologist Victor Turner describes liminality as a time of severe disorientation for individuals and societies that lies between one stage of life and another All the former signposts that provided people with an identity are in a state of upheaval as they transit between these stages This book uses the lifelong personal and professional experiences of the author to analyse how Catholics experience liminality today and dealt with it yesterday It provides the reader with an historical case study of frightening experiences both in teaching what to expect during such a time and what to assume when it ends **The Catholic Way** Bishop Donald Wuerl,2002-05-14 In The Catholic Way Bishop Donald Wuerl Archbishop of Washington D C has offered up an accessible easy to use blueprint to the Catholic Church s most recent catechism a detailed summary of Catholic thought compiled by a commission of church cardinals and bishops in 1992 *Roman Catholicism: The Basics* Michael Walsh,2016-06-17 From the most basic terms to the structures and practices of the Church this book offers a plain speaking introduction to Roman Catholicism Now in a second edition it contains new sections on relations with other faiths coverage of recent controversies in the Church and an expanded section on social teaching It covers Roman Catholic beliefs and traditions practices and devotional life rituals prayer mass Church structures and authorities from Vatican to parish church Church hierarchies and people from bishops to the laity the role of the Church in society With a glossary further reading sections and reference to official documents of the Church this is the perfect guide for students approaching the study of Roman Catholicism for the first time *Religion in Today's World* Melissa M. Wilcox,2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective **Catholic Cultures** Patricia Wittberg,2016-02-11 From its earliest days Christianity has been lived and proclaimed in the language and symbols of each receiving culture Today these cultures include the new ethnic groups moving into our parishes They also include new generations of Catholic young adults whose childhood experiences of their faith are very different from those of their elders In Catholic Cultures Sister Patricia Wittberg offers a view of Catholicism

through the eyes of Catholics from these different cultures so that we may all be challenged to grow in our reception of the Good News This book is an ideal resource for parish ministers educators and parents struggling with how to evangelize and minister to unfamiliar cultures It is also a tool for leaders trying to build a strong community made up of members who represent a variety of ethnic backgrounds and ages **Why I Am Catholic (and You Should Be Too)** Brandon
