Living Away from Blessings Carina Henriksson, 2008 The notion of school failure is often understood only in terms of students cognitive inadequacies or their dropping out of school In this sense students failure really is seen as their failure Living Away from Blessings offers an alternative understanding of the notion by examining students lived experiences of school failure in the classroom The experiential accounts of teenage students show that they view school failure as having little to do with cognitive inadequacy and everything to do with their behaviour The lived experiences described by the students include feelings of disappointment non recognition loneliness boredom shame marginalization stigmatization inferiority and worthlessness Drawing on phenomenological philosophy Carina Henriksson explores the temporal spatial and relational

dimensions of the experience of school failure Living Away from Blessings is an insightful and sensitive inquiry into taken for granted attitudes about pedagogical relationships and classroom interaction Cover **California.
