Catos War:

The Lives of Cato the Younger from Ancient Rome to Modern America Thomas E. Strunk, 2026-01-06 The Lives of Cato the Younger from Ancient Rome to Modern America traces the reception and influence of Cato from his suicide at the fall of the Roman Republic to the twenty first century In preferring death to Julius Caesar s dictatorship Cato became a symbol of resistance to tyrannical rulers during the Roman Empire In the years that followed three interpretations of Cato became predominant Cato lived and died with the resolve of a philosopher he was a traitor to Caesar s legitimate rule or he was a republican statesman defending liberty Beginning with these interpretations Thomas E Strunk explores Cato s reception in antiquity with chapters on Tacitus and Plutarch and he later discusses medieval Christian writers such as Augustine who considered Cato s suicide sinful and Dante who made him the noble guardian of Purgatory In Europe playwrights composed dramas on Cato s death that ignited the revolutionary spirit of the age later inspiring American general George Washington and his soldiers Abolitionists such as Frederick Douglass invoked Cato and his revolutionary spirit yet after the Civil War Cato s name was appropriated as a symbol of allegiance for Confederates and their descendants and lines memorializing Cato were inscribed on the Confederate Memorial at Arlington Cemetery As the first book to provide an in depth study of Cato and his lasting influence Strunk s study seeks to explore the contemporary nature of his principles and their influence on present day American politics
