Cattle Men:

Cow Boys and Cattle Men Jacqueline M. Moore, 2010 Cowboys are an American legend but despite ubiquity in history and popular culture misperceptions abound Technically a cowboy worked with cattle as a ranch hand while his boss the cattlemen owned the ranch Jacqueline M Moore casts aside romantic and one dimensional images of cowboys by analyzing the class gender and labor histories of ranching in Texas during the second half of the nineteenth century As working class men cowboys showed their masculinity through their skills at work as well as public displays in town But what cowboys thought was manly behavior did not always match those ideas of the business minded cattlemen who largely absorbed middle class masculine ideals of restraint Real men by these standards had self mastery over their impulses and didn't fight drink gamble or consort with unsavory women Moore explores how in contrast to the mythic image from the late 1870s on as the Texas frontier became more settled and the open range disappeared the real cowboys faced increasing demands from the people around them to rein in the very traits that Americans considered the most masculine Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University **Proceedings of an Interstate Convention of Cattlemen, Held at Fort Worth, Texas ... March 11, 12, 13, 1890 ...** ,1890 **The Cattlemen** Mari Sandoz, 1978-01-01 This thundering book by the author of *Old Jules* is the story of the vast cattle industry of the American West stupendous in length concept and achievement it is the result of a lifetime of knowledge and research The whole story is here long but never dull written with humor and understatement Kirkus Service Here tough as whang leather nourishing as pemmican turbulent as Dodge City on a Saturday night in the late 1870s is what time may well decide is the definitive history of the founding and flourishing of the cattle industry on this continent This splendid book says more and says it better about the most romantic figures of the old West than dozens of other books that have ranged over this familiar ground Mari Sandoz has given herself room to move with tremendous drive and scholarship Victor P Hass Chicago Sunday Tribune Drawing the fullest flavor from her expert descriptive technique Mari Sandoz has written a regional history to stand among the best of its kind Library Journal *Historical and Biographical Record of the Cattle Industry and the Cattlemen of Texas and Adjacent Territory* ,1895 *Beef Cattle Publications and Visual Materials* ,1980 **The Rawhide Years** Glenn R. Vernam, 1976 A lore filled detailed account of the lives personalities and legends of the cowboys from the days of bronco busting and longhorn herding to the present chronicling the actualities behind the myths **The Cattle Kings** Lewis Atherton, 2019-02-01 The new image of the cattle country that emerges from Atherton's pages is no less romantic than the prior stereotype he writes vividly Chicago Tribune Cowboys gunslingers and superpowered marshals dominate fictionalized accounts of the American West but they were minor figures in the true history of the region In *The Cattle Kings* Lewis Atherton restores the leading role to the cattlemen the genuine adventurers who opened the plains built empires and brought prosperity law and order to the West This classic history of the West tells the true stories of rugged cattlemen like Charles

Goodnight Shanghai Pierce the Lang family the Marquis de Mores and Richard King who were attracted by the challenge of the frontier and the astounding economic opportunities it offered Self reliant and progressive these young individualists revolutionized ranching The new industry transformed the West bringing law and order to infamous sin towns like Abilene and Dodge City and leaving an indelible mark on America s national history and character Atherton dramatically recreates the realities and economics of everyday life on the ranches including the role of women attitudes toward education and religion and the philosophy of the cattle region Now with an updated foreword by Western historian Timothy Lehman this new edition of a beloved classic reveals the true heroes of the legendary cattle kingdoms that created the West Containing little glamour and much neglected history this excellent book will appeal to students of the West Old and New and to addicts of history who prefer fact to fireworks it belongs in all comprehensive collections of Western Americana Kirkus Reviews

Address of S. Waterhouse Before the First National Convention of American Cattlemen Sylvester

Waterhouse,1885 **Bulletin** ,1919 **The Nation** ,1884 **Our Paper** ,1900 The Cyclopedic Review of Current History ,1903 **Report of the Agricultural Experiment Station of the University of California** California Agricultural Experiment Station,1923 Annual Report of the Department of Agriculture, for the Province of Ontario Ontario. Department of Agriculture,1904 Consists of separately paged reports of bodies related to the Dept **Investigation Relative to Wages and Prices of Commodities** United States. Congress. Senate. Select committee on wages and prices of commodities. [from old catalog],1910 *Annual Report of the New Jersey Board of Agriculture* New Jersey. Board of Agriculture,1891 **Proceedings of the Annual Convention** American National Cattlemen's Association,1909 *American Sheep Breeder and Wool Grower* ,1908 *Report of the Director* Georgia.
