Manchester,2018-09-14 Most philosophers of history have been apologists excusing the rights of the elite the privileged the priests and the king the rights of the king to wage war the rights of the property owners to rule their tenants the rights of the priests to pardon sins and the rights of the lords to create laws Philosophy is the foundation of all of societies thoughts and notions of the famous thinkers percolate out to the masses Most of philosophy has been detrimental to society because it is not thought through War is stupid regardless of how many great thinkers think it good Poverty is a stupid scourge to our society regardless of it being regarded as a necessary evil Crime is stupid behavior by stupid people and can certainly be abolished through proper policy and education This is a work of philosophy but unlike historical philosophies it does not give excuse to society as it now is but gives plain and serious vision to how it can be In the world of the future there will be no more war no more crime and no more poverty anywhere that men shall be      *Caveman* Jo Raven,2018-12-04 Matt Hansen Hot single daddy Arrogant Rude Older My boss Totally off limits right Matthew Hansen is the kind of handsome that has grown women whispering behind their hands and giggling like schoolgirls Dark tall and mysterious he s a newcomer to our little town He s a gritty grease covered mechanic and a single daddy Sweet right Plus he s looking for a nanny and I am desperately looking for a job Sounds like the perfect deal Only he s a jerk An uncivilized hulking brute Zero manners Zero interest in making me feel welcome in his home Downright rude But oh so sexy And I need the job I can do this One thing is for sure I can t fall for the Caveman No matter how sexy he is How mysterious How tortured That s the only rule and one I m about to break      *Cries Of An Irish Caveman* Paul Durcan,2011-08-31 Cries of an Irish Caveman is Paul Durcan s most inspired and surprising collection of poems Through four distinct sections he brings his tender lyricism to bear on the themes of love loss life and death The first section describes an experience in Australia which provides a starting point for reassessing his past relationships and loves
