Cayce Karma And Reincarnation:

Reincarnation & Karma Edgar Cayce, 2006-07-11 Of the thousands of discourses Cayce gave these on reincarnation how and why it occurs with hundreds of examples and karma the nature of karmic reactions and how to resolve them in your life are the most popular and insightful Publisher's description **Cayce, Karma, and Reincarnation** Ishwar Chandra

Sharma, 1975-01-01 *Edgar Cayce on Reincarnation and Family Karma* Kevin J. Todeschi, 2011-01-14 Life is a completely lawful experience because of the universal laws of reincarnation and karma that draw individuals together Rather than being some type of unavoidable destiny or a fate about which we can do very little the Edgar Cayce material instead sees karma as essentially an unconscious reservoir of information stored within the soul's memory Although this memory may draw certain events and individuals to one another personal free will and the way in which an individual responds to that memory determines her or his actual life experiences Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be **Edgar Cayce on Reincarnation and Family Karma**

Kevin Todeschi, 2021-10-15 Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be *Cayce, Karma, & Reincarnation* Ishwar Chandra Sharma, 1982 **Edgar Cayce's Story of Karma** Mary Ann Woodward, 1972 *Reincarnation & Karma* John Van Auken, 2015-04-02 This is a fast reading far reaching look into the strange concept of our soul's life describing how our soul goes through a recurring cycle of incarnations bringing karma that affects us in a way often unseen like a shadow over our personality's life and relationships

today Van Auken explains how and why reincarnation occurs where our past life memories are stored and how we may become aware of our soul and its karmic patterns He explains soul mates twin souls soul groups and reveals what our souls are doing when they are not incarnating He revisits passages in the Bible about our origin and true nature a nature that is not affected by the death of the physical body Using sources from the Hindu Akashic Records and the Book of Life or Book of Remembrance as well as Kabbalistic and Gnostic teachings he gives us examples of how our soul sees life rather than our earthly self's view He uses Edgar Cayce's discourses to add to our overall understanding of soul life versus personality life Destiny fate and karma are explored as well Then he has a series of chapters of meditation dreams living by ideals rather than allowing circumstances to direct our lives There's a fascinating chapter telling the lifetimes of one soul's whole series of incarnations and how each of them contributed who she is today and why specific people are in her life today All in all it is an interesting and compelling revelation about a life few of us are aware of but are apparently living at some level of our consciousness

Past Lives and Present Karma Ann Jaffin, 2008-03-01 It was 1923 and a man named Arthur Lammers received a psychic reading from Edgar Cayce when for the first time in the Cayce readings a past life was mentioned In fact Lammers was told that he was in his third life on earth and had once been a monk From that point on and for the rest of his life Edgar Cayce would give life readings the second largest group of readings in the set of 14 000 given by Cayce that discussed how one's past lives were affecting them in their current life Author Ann Jaffin has pulled together invaluable insights on reincarnation and our purpose here on earth from the rich source of these Cayce readings Topics include How we choose our parents before we are born Karma as cosmic cause and effect Knowing our spiritual ideal Transforming karma into grace Our free will God's greatest gift Planetary sojourns and the role Arcturus plays Jaffin's book will give you a deeper understanding of reincarnation in all its many aspects while explaining how reincarnation supports us as we strive to fulfill the very purpose of our souls

Soul Mates, Karma and Reincarnation Jaime T. Licaucó, 2017-12-02 It is true we have lived before this lifetime Why was the concept of reincarnation removed from the teachings of the Christian Church What is karma What are the rules governing it Why did Edgar Cayce define karma as simply meeting yourself Does each of us have a soul mate How do we recognize our soul mate when we meet him or her Why do we seldom meet our soul mate Can we invoke or pray for a soul mate to appear in our life These and many other fascinating questions about human relationships universal justice and multiple rebirth are discussed in this much awaited book on Soul Mates Karma and Reincarnation This is the only local book on this subject written by JAIME T LICAUCO the country's foremost authority on mind development paranormal phenomena and Philippine mysticism Drawing on his vast knowledge of esoteric sciences Mr Licaucó provides the reader with an in depth explanation of soul mates karma and reincarnation
