Cecil B Demilles Hollywood:

Cecil B. DeMille's Hollywood Robert S. Birchard, 2004-06-29 A look at the wide ranging work of the Golden Age genius who made *The Ten Commandments* and other blockbusters and helped found the American film industry Cecil B DeMille's *Hollywood* is a detailed and definitive chronicle of the director's screen work that changed the course of film history and a fascinating look at how movies were actually made in Hollywood's Golden Age Drawing extensively on DeMille's personal archives and other primary sources Robert S Birchard offers a revealing portrait of DeMille the filmmaker that goes behind studio gates and beyond DeMille's legendary persona In his forty five year career DeMille's box office record was unsurpassed and his swaggering style established the public image for movie directors He had a profound impact on the way movies tell stories and brought greater attention to the elements of decor lighting and cinematography Best remembered today for screen spectacles such as *The Ten Commandments* and *Samson and Delilah* DeMille also created Westerns realistic chamber dramas and a series of daring and highly influential social comedies while setting the standard for Hollywood filmmakers and demanding absolute devotion to his creative vision from his writers artists actors and technicians Far and away the best film book published so far this year National Board of Review *Cecil B. DeMille, Classical Hollywood, and Modern American Mass Culture* David Blanke, 2018-05-26 This book uses the long and profitable career of Cecil B DeMille to track the evolution of Classical Hollywood and its influence on emerging mass commercial culture in the US DeMille's success rested on how well his films presumed a broad consensus in the American public expressed through consumer hedonism faith and an exceptional national history which merged seamlessly with the efficient production methods developed by the largest integrated studios DeMille's sudden mid career shift away from spectator perversity to corporate propagandist permanently tarnished the director's historical standing among scholars yet should not overshadow the profound links between his success and the rise and fall of mid century mass culture **THE AUTOBIOGRAPHY OF DEMILLE** CECIL B. ,1959 *Cecil B. DeMille* Cecilia de Mille Presley, Mark A. Vieira, 2014-12-16 Colossal Stupendous Epic These adjectives used by movie companies to hawk their wares became clichés long ago When used to describe the films of one director they are accurate More than any filmmaker in the history of the medium Cecil B DeMille mastered the art of the spectacle In the process he became a filmland founder One hundred years ago he made the first feature film ever shot in Hollywood and went on to become the most commercially successful producer director in history DeMille told his cinematic tales with painterly extravagant images The parting of the Red Sea in *The Ten Commandments* was only one of these There were train wrecks *The Greatest Show on Earth* orgies *Manslaughter* battles *The Buccaneer* *Ancient Rome* *The Sign of the Cross* *Ancient Egypt* *Cleopatra* and the Holy Land *The Crusades* The best of these images are showcased here in *Cecil B DeMille The Art of the Hollywood Epic* This lavish volume opens the King Tut's tomb of cinematic treasures that is the Cecil B DeMille Archives presenting storyboard art concept paintings and an array of photographic imagery Historian Mark A Vieira writes an

illuminating text to accompany these scenes Cecilia de Mille Presley relates her grandfather's thoughts on his various films and recalls her visits to his sets including the Egyptian expedition to film *The Ten Commandments* Like the director's works Cecil B DeMille *The Art of the Hollywood Epic* is a panorama of magnificence celebrating a legendary filmmaker and the remarkable history of Hollywood **Empire of Dreams** Scott Eyman,2010-09-07 BEST KNOWN AS THE DIRECTOR of such spectacular films as *The Ten Commandments* and *King of Kings* Cecil B DeMille lived a life as epic as any of his cinematic masterpieces As a child DeMille learned the Bible from his father a theology student and playwright who introduced Cecil and his older brother William to the theater Tutored by impresario David Belasco DeMille discovered how audiences responded to showmanship sets lights costumes etc He took this knowledge with him to Los Angeles in 1913 where he became one of the movie pioneers in partnership with Jesse Lasky and Lasky's brother in law Samuel Goldfish later Goldwyn Working out of a barn on streets fragrant with orange blossom and pepper trees the Lasky company turned out a string of successful silents most of them directed by DeMille who became one of the biggest names of the silent era With films such as *The Squaw Man* *Brewster's Millions* *Joan the Woman* and *Don't Change Your Husband* he was the creative backbone of what would become Paramount Studios In 1923 he filmed his first version of *The Ten Commandments* and later a second biblical epic *King of Kings* both enormous box office successes Although his reputation rests largely on the biblical epics he made DeMille's personal life was no morality tale He remained married to his wife Constance for more than fifty years but for most of the marriage he had three mistresses simultaneously all of whom worked for him He showed great loyalty to a small group of actors who knew his style but he also discovered some major stars among them Gloria Swanson Claudette Colbert and later Charlton Heston DeMille was one of the few silent era directors who made a completely successful transition to sound In 1952 he won the Academy Award for Best Picture with *The Greatest Show on Earth* When he remade *The Ten Commandments* in 1956 it was an even bigger hit than the silent version He could act too in Billy Wilder's classic film *Sunset Boulevard* DeMille memorably played himself In the 1930s and 1940s DeMille became a household name thanks to the Lux Radio Theater which he hosted But after falling out with a union he gave up the program and his politics shifted to the right as he championed loyalty oaths and Sen Joseph McCarthy's anticommunist witch hunts As Scott Eyman brilliantly demonstrates in this superbly researched biography which draws on a massive cache of DeMille family papers not available to previous biographers DeMille was much more than his clichéd image A gifted director who worked in many genres a devoted family man and loyal friend with a highly unconventional personal life a pioneering filmmaker DeMille comes alive in these pages a legend whose spectacular career defined an era *Cecil B.
