Cecil Rhodes Flawed Colossus:

Cecil Rhodes Andre Maurois,1968 Cecil Rhodes Brian Roberts,2015-08-06 Cecil Rhodes lived only for his schemes and enjoyed life only as a cannon ball enjoys space travelling to its aim blindly and spreading ruin on its way He was a great man no doubt a man who rendered immense service to his country but humanity is not much indebted to him The time is ripe for a new biography of Cecil Rhodes the hero of imperialism needs to be seen with the perspective to examine the tremendous changes which have taken place since the British Empire was at its height This major re assessment deals with the man rather than the politics and shows Rhodes to be ruthless energetic idealistic and very much a product of his time We see him first as a far from amiable child the son of a country vicar As a youth he went to South Africa where he made a fortune diamond mining This fortune provided the means to pursue his political ambitions a crazy dream to put as much red on the map as possible In fact he only achieved what was to become Northern and Southern Rhodesia His brutality to the native peoples of Africa his financial chicanery his involvement in the farcical Jameson Raid his suppressed homosexuality his ideas about racial superiority and his exaggerated respect for an Oxford education which led to his most lasting memorial the Rhodes Scholarships are all covered in this frank biography **The Boer War** Fred R. van Hartesveldt,2000-05-30 One hundred years after the Boer War the British continue to debate what went wrong while the war has significant nationalist overtones in today's South Africa This book examines changes in interpretations of the war and provides a bibliography of major sources on the Boer War now sometimes called the South African War The bibliography focuses on the military history but also includes some historical accounts of the political debate The first part of the book provides an extended historiographical essay while part two provides an annotated bibliography of the titles discussed in part one Historiographical questions concerning the Boer War are numerous Discussions of military operations focus on the early use of modern weaponry and the effect of guerrilla tactics on a traditional force while other historians debate the question of British military leadership and organization Questions also revolve around British imperialism and the scramble for Africa Frequently called the second war for freedom by South African authors the war was the reason that South Africa unlike other British colonies gained independence without majority rule This makes the war of continuing relevance to the turmoil in South Africa the collapse of the minority government and the continuing problems of the current government This book will provide a useful tool for those wishing to research the war **#RhodesMustFall** B. Nyamnjoh,2016-04-18 This book on rights entitlements and citizenship in post apartheid South Africa shows how the playing field has not been as levelled as presumed by some and how racism and its benefits persist Through everyday interactions and experiences of university students and professors it explores the question of race in a context still plagued by remnants of apartheid inequality and perceptions of inferiority and inadequacy among the majority black population In education black voices and concerns go largely unheard as circles of privilege are continually regenerated and added onto a layered and deep history of cultivation of

black pain These issues are examined against the backdrop of organised student protests sweeping through the country's universities with a renewed clamour for transformation around a rallying cry of Black Lives Matter The nuanced complexity of this insightful analysis of the Rhodes Must Fall movement elicits compelling questions about the attractions and dangers of exclusionary articulations of belonging What could a grand imperialist like the stripling Uitlander or foreigner of yesteryear Sir Cecil John Rhodes possibly have in common with the present day nimble footed makwerekwere from Africa north of the Limpopo The answer Nyamnjoh suggests is to be found in how human mobility relentlessly tests the boundaries of citizenship

Victorian Britain (Routledge Revivals) Sally Mitchell, 2012-08-06 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields

#RhodesMustFall B. Nyamnjoh, 2016-04-18 This book on rights entitlements and citizenship in post apartheid South Africa shows how the playing field has not been as levelled as presumed by some and how racism and its benefits persist Through everyday interactions and experiences of university students and professors it explores the question of race in a context still plagued by remnants of apartheid inequality and perceptions of inferiority and inadequacy among the majority black population In education black voices and concerns go largely unheard as circles of privilege are continually regenerated and added onto a layered and deep history of cultivation of black pain These issues are examined against the backdrop of organised student protests sweeping through the country's universities with a renewed clamour for transformation around a rallying cry of Black Lives Matter The nuanced complexity of this insightful analysis of the Rhodes Must Fall movement elicits compelling questions about the attractions and dangers of exclusionary articulations of belonging What could a grand imperialist like the stripling Uitlander or foreigner of yesteryear Sir Cecil John Rhodes possibly have in common with the present day nimble footed makwerekwere from Africa north of the Limpopo The answer Nyamnjoh suggests is to be found in how human mobility relentlessly tests the boundaries of citizenship **Reader's Guide to British History**

David Loades, 2020-12-17 The Reader's Guide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6-12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication **The Biography Book**

Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000

biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Victorian Britain Sally Mitchell, 2011 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields

Cecil Rhodes Brian Roberts, 1987 Tells how Rhodes built a fortune in South African diamonds discusses his efforts to expand the British Empire and assesses his accomplishments

South Africa T. Davenport, C. Saunders, 2000-03-08 A survey of the whole of South African history from pre colonial times to 1999 suitable for serious students of the subject It handles all major topics with special focus on the dramatic changes that have occurred since 1990

Encyclopedia of World Biography: Raffles-Schelling, 1998 Presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed

The American Oxonian, 1989 List of Rhodes scholars 1904 1915 v 2 p 145 161 Vol for 1934 include Addresses and occupations of Rhodes scholars and other Oxonians called 1934 36 Addresses and occupations of Rhodes scholars
