Celans Poetik:

Western Art and Jewish Presence in the Work of Paul Celan Esther Cameron, 2014-10-15 *Western Art and Jewish Presence in the Work of Paul Celan* Roots and Ramifications of the Meridian Speech addresses a central problem in the work of a poet who holds a unique position in the intellectual history of the twentieth century On the one hand he was perhaps the last great figure of the Western poetic tradition one who took up the dialogue with its classics and who responded to the questions of his day from a global concern if often cryptically And on the other hand Paul Celan was a witness to and interim survivor of the Holocaust These two identities raise questions that were evidently present for Celan in the very act of poetry This study takes the form of a commentary on Celan s most important statement of his poetics and beliefs The Meridian which is an extraordinarily condensed text packed with allusions and multiple meanings It reflects his early work and anticipates later developments so that the discussion of The Meridian becomes a consideration of his oeuvre as a whole The commentary is an act of listening an attempt to hear what these words meant to the poet to see the landscapes from which they come and the reality they are trying to project and in the light of this to arrive at a clear picture of the relation between Celan s Jewishness and his vocation as a Western writer

Glottal Stop Paul. Celan, 2011-03-01 Paul Celan s widely recognized as the greatest and most studied post war European poet At once demanding and highly rewarding his poetry dominates the field in the aftermath of the Holocaust This selection of poems now available in paper for the first time is comprised of previously untranslated work opening facets of Celan s oeuvre never before available to readers of English These translations called perfect in language music and spirit by Yehuda Amichai work from the implied premise of what has been called Intention auf die Sprache delivering the spirit of Celan s work his dense multilingual resonances his brutal broken music syntactic ruptures and dizzying wordplay

Gadamer on Celan Hans-Georg Gadamer, 1997-02-20 Gadamer on Celan makes all of Hans Georg Gadamer s published writings on Paul Celan s poetry available in English for the first time Gadamer s commentaries on Celan s work are explicitly meant for a general audience and they are further testimony to Celan s growing importance in world literature since the Second World War Celan s poetry has attracted the attention of many well known figures including Maurice Blanchot Jacques Derrida Edmond Jabes Otto Poggeler and George Steiner As Steiner has said It will take a long time for our sensibilities to apprehend poetry of these dimensions and this radicality Gadamer s commentaries will help readers to listen to Celan s poetry and to become acquainted with his only book length commentary on a poet using the best example of Gadamer s thinking on the relationship of philosophy and poetry This book also contains a translation of Who Am I and Who Are You the centerpiece of Gadamer s most important philosophical project since the publication of Truth and Method 1960 Who Am I and Who Are You demonstrates Gadamer s continual engagement with the key figures of twentieth century thought and his responsiveness to the challenges of modernist art and its various affronts to hermeneutics

Hamburger, 2019-06-18 The peerless translations of this haunted and haunting Holocaust poet including ten new poems and an illuminating essay by the translator Paul Celan is one of the twentieth century's most essential poets and twenty-two years after its publication *Poems of Paul Celan* continues to be the single truest access for English speakers to this poet's work This new edition adds ten more poems and a significant essay *On Translating Celan* by Michael Hamburger **Poetic Thinking**

Today Amir Eshel, 2019-11-05 Thinking is much broader than what our science-obsessed utilitarian culture often takes it to be More than mere problem solving or the methodical comprehension of our personal and natural circumstances thinking may take the form of a poem a painting a sculpture a museum exhibition or a documentary film Exploring a variety of works by contemporary artists and writers who exemplify poetic thinking this book draws our attention to one of the crucial affordances of this form of creative human insight and wisdom its capacity to help protect and cultivate human freedom All the contemporary works of art and literature that *Poetic Thinking Today* examines touch on our recent experiences with tyranny in culture and politics They express the uninhibited thoughts and ideas of their creators even as they foster poetic thinking in us In an era characterized by the global reemergence of authoritarian tendencies Amir Eshel writes with the future of the humanities in mind He urges the acknowledgment and cultivation of poetic thinking as a crucial component of our intellectual pursuits in general and of our educational systems more specifically *Selected Poems* Paul Celan, 1990

Val rys Jeune Parque 1960 werden auch die bislang kaum beachteten Apollinaire und Supervielle bersetzungen 1951 1959 und 1958 1968 untersucht Insbesondere an diesen beiden Gruppen von bertragungen l sst sich zeigen wie sich Celans bersetzungspoetik im Laufe der Jahre wandelte Bis etwa 1960 werden im bersetzungswerk in wachsendem Ma e die gleichen Stilmittel eingesetzt wie in den eigenen Gedichten in den sechziger Jahren hingegen emanzipieren sich die bertragungen von der Poetik der eigenen Dichtung und werden wieder w rtlicher dem Original getreuer Diesen sp ten Wandel im Umgang mit dem fremden Text erl utert die Verfasserin am Ende ihrer Studie als Konsequenz eines bisher unbeachtet gebliebenen Widerspruchs in Celans Poetik des Dialogs **Germano-slavica** ,1999 **The Poetics of Memory** Thomas

Wägenbaur,1998 The contributors to this volume share a Poetics of Memory as the constant shift between representation in different kinds of cultural archives and its performance in various acts of cultural recollection They are engaged in four main projects of mnemonic inquiry The first deals with the history of the subject and the moment of recollection The second opens the scope of an aesthetic reading of literary texts towards cultural memory in general The third examines the nature of literary memory as such The final group of contributors delimits the literary text towards intertextuality and electronic hypertext which challenges but also confirms the proposed Poetics of Memory *Dichter Der Bezogenheit* Cindy
