Overlaid on this are several thin, white, flowing lines that create a sense of movement and elegance. A small, square inset in the upper left quadrant shows a more detailed, textured image of what appears to be a natural scene, possibly a landscape or a close-up of a plant.

Harris,2020-07-22 The information in this book will change a church a ministry and the individual reader himself Understanding spiritual warfare is as important as a country knowing how to fight and survive the attacks from another country We are in an epic war for our lives our marriages our ministry our relationships our country our cities and states and the list goes on because Satan the enemy of our souls is strategizing assaults against us and he aims at striking every aspect of our lives If it can affect us he will strike at it This book has great insights into the spiritual realm Satan s war room tactics God s war manual and our position in Christ We get a glimpse into the unseen world through the eyes of the Holy Spirit We must no longer suffer defeat and remain in bondage This book is an eye opener because the information it contains are Holy Ghost inspired     *The Delineator* R. O'Loughlin,H. F. Montgomery,Charles Dwyer,1915     **The Radical Teaching of Jesus** Duncan S. Ferguson,2016-01-18 The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God The implications of this transformation would result in a life of loving God with heart and mind and one s neighbor without condition This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus requires a careful reading of the history of the Gospel records of the circumstances in which Jesus lived and of Jesus sense of vocation This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way     **Quaker Life** ,1998
