Lightner,Pearl Ann Reeder,1952 **Winning** Bill Schlondrop,2003-08 Celery Soup for the Heart is an anthology of true and lasting love stories In this day of hasty marriages and quick divorces the couples interviewed for this book prove that true love never ends They survived illness loss of employment the depression lack of money war death of a child family problems and natural disasters These men and women of yesteryear stuck together through thick and thin when times were tougher and leaner and never once thought of parting For better or worse in sickness and in health for richer or for poorer was a serious commitment If the adage everyone loves a love story is still true these tales of lasting love will delight your heart and put a smile on your lips **Love Soup for the Heart** Joyce H. Ware,2009-06-01 Love of God is the basic stock for this Love Soup I have created Hearty ingredients were added to make it both nourishing and tasty Everything in the love pantry was used including love of family friends country and self A bit of spousal love was mixed in for seasoning Fantasy love was added to please the palate of those who enjoy a spicy soup There is no denying love is not always returned and

sometimes love is lost It was necessary to include these two ingredients not only to whet the appetites of non believers and the curious but as my testimony to suggest that love can be better the second time around A poignant section dedicated to the memories of two friends and my beloved nephew provided me the opportunity of expressing my love for them in death as I never did in life Love Soup is highly recommended for leisure reading to someone you love on a rainy day or a quiet evening It provides an excellent choice as a gift especially on Valentine s Day I wish you love     Chicken Soup for the Soul Love Stories Jack Canfield,Mark Victor Hansen,Peter Vegso,2007-12 Whether it is at first sight develops over time with a close friend or it hits you like a ton of bricks falling in love is a lyrical life changing event Chicken Soup for the Soul Love Stories will transport you to the moments of your life that were filled with devotion and unconditional love Who can forget what it feels like to walk on air share private jokes and ponder over intimate moments This collection of stories is sure to rouse the inner romantic in your heart with stories of long lost love rekindled in the twilight of life young love discovered and love that truly lasts forever But this book will also remind you of the everlasting love between friends family and parents and children Stories peppered throughout celebrate the vastness of love in all its many forms including the story of one woman who is able to endure a painful illness because of the unconditional love and affection she receives from her cat and the story about the love shared between father and daughter when he returns from overseas as well as stories about love found in surprising ways by women and men who thought their time for romantic love had passed Chicken Soup for the Soul Love Stories will take you back to your most cherished memories and inspire you to create a few more
