

# Cattle Annie And Little Britches

**Michael Rutter**

## **Cattle Annie And Little Britches:**

**Cattle Annie and Little Britches** Robert Ward, 2011-08-23 Based on the lives of two adolescent girls in the late 19th century who became infatuated with the Western outlaw heroes they had read about in Ned Buntline's stories and left their homes to join them. The outlaws the girls find are the demoralised remnants of the Doolin Dalton gang led by the aging Bill Doolin. Annie shames and inspires the men to become what she had imagined them to be. The younger sister Jenny finds a father figure in Doolin who calls her Little Britches. Doolin's efforts to live up to the girls' vision of him lead him to be carted off in a cage to an Oklahoma jail where he waits to be hanged. Cattle Annie and Little Britches David Eyre, 1979

**Bedside Book of Bad Girls** Michael Rutter, 2008 Drawing on fact and folklore this book brings these gun-slinging bad girls to life and explores their motives, hopes and dreams. It dispels many of the myths about these female outlaws for sometimes truth is stranger than fiction. **Western Film Highlights** Henryk Hoffmann, 2015-07-11 Westerns may have had their heyday but they remain popular. The greatest films from 1914 when *The Squaw Man* and *The Virginian* were among the genre's best through 2001 when *American Outlaws* and *Texas Rangers* were tops are the subject of this work. For each year the author names the outstanding western films in the following categories: picture, screenplay, original and adaptation, direction, cinematography, music, male and female leading roles and male and female supporting roles. Also for each year the author lists the westerns that received Academy Award nominations and those that won. Makes note of the births and deaths of notable actors, directors, producers, composers, cinematographers, authors and other such personalities and describes the genre's significant achievements. **More Tales behind the Tombstones** Chris Enss, 2015-07-16 *More Tales Behind the Tombstones* tells the stories behind the deaths or supposed deaths and burials of even more of the Old West's most nefarious outlaws, notorious women and celebrated lawmen. Readers will learn the stories behind these legendary characters and visit the sites of tombs long forgotten while legends have lived on. Read about the lives and deaths of fearless famous lawmen such as Bass Reeves, Chalk Beeson, Bill Tilghman and Pat Garrett. Learn about the dauntless women who blazed new paths for their sex in medicine, journalism, entertainment and voting rights and discover the intriguing facts and myths that continue to circulate about these and other infamous characters long after their grave markers have become worn down or simply lost to time. **Wild West Women , The American West** Dee Brown, 2012-12-25 As the railroads opened up the American West to settlers in the last half of the 19th Century the Plains Indians made their final stand and cattle ranches spread from Texas to Montana. Eminent Western author Dee Brown here illuminates the struggle between these three groups as they fought for a place in this new landscape. The result is both a spirited national saga and an authoritative historical account of the drive for order in an uncharted wilderness illustrated throughout with maps, photographs and ephemera from the period. **Burs Under the Saddle** Ramon Frederick Adams, 1989 This immense book by a noted bibliographer of the West is beyond question the fairest, most complete and most learned evaluation of printed references to western outlaws to appear

until now It will stand for many years solid as a rock amid the flooding maelstrom of western myth and legend pointing up the truth about those men of the past who lived by their wits and their guns It will be impossible for anyone studying that era and such men to do so without reference to this volume Los Angeles Times Adams turns again to the books and histories of the western gunmen and outlaws and critically examines 425 titles most of which rate as burs under his saddle Ramon Adams plea is that the writers must stop compounding each other s errors into legend In this book with great skill and without malice he has pointed out past mistakes His book should be in the essential baggage of every writer on western outlaws and on every library shelf American West The value of this book to writers and historians of the badman tradition cannot be overestimated for Adams has replaced rumors myths and falsehoods with documented historical facts It is a book for all conscientious students of and writers on the American West henceforth any writer of authentic Western history who refuses to check with Adams should be as the judge said to Billy the Kid in one legend hanged by the neck until dead dead Southwest Review

**100 Oklahoma Outlaws, Gangsters & Lawmen** Laurence Yadon, 2010-09-23 The only thing wilder than Oklahoma in the late nineteenth century are the tales that continue to surround it In the days of the Wild West Oklahoma was teeming with assassins guerillas hijackers kidnappers gangs and misfits of every size and shape imaginable Featuring such legendary characters as Billy the Kid Bonnie and Clyde Machine Gun Kelly Belle Starr and Pretty Boy Floyd this book combines recorded fact with romanticized legend allowing the reader to decide how much to believe Violent and out of control the figures covered in 100 Oklahoma Outlaws Gangsters and Lawmen often left behind numerous victims grisly accounts and unforgettable stories Included are criminals like James Deacon Miller the devout Methodist and hired assassin Righteous and devious he often avoided the gallows by convincing others to admit to his murders Rufus Buck a man of Native American descent targeted white settlers His crimes against them became so heinous as to cause the Creek nation to take up arms against him The answer to criminals such as these came in the form of Hanging Judge Parker and other officers of the law Although they were greatly outnumbered they provided some balance to the chaos This historical compilation covers every memorable outlaw and lawman who passed through Oklahoma

**Mademoiselle** ,1982 Encyclopedia of Western Gunfighters Bill O'Neal, 1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who s who of the violent West

**New York Magazine** ,1981-05-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**Whiskey and Wild Women** Cy Martin, 1974 *Portraits of the Old West* Frederick W. Nolan, Frederick Nelson, 1998-02 Portraits Of The Old West follows the success of Portraits of Native Americans with a series of striking images from the American West in

its heyday primarily from the end of the nineteenth century The fascination with the exploits of those intrepid adventurers who for better or worse shaped America has made enduring marks upon the culture of America Here is a photographic look at the famous the infamous the completely unknown heroes heroines and villains who braved new frontiers and made real the Manifest Destiny that moved the States from sea towards that other shining sea Some of the figures included are the James brothers Wyatt Earp Bat Masterson and many more An authoritative look at the American West Includes archival photographs from state historical societies and private collections Among those included are pony soldiers trailblazers and cattlemen     **Film** ,1980     *Women in Oklahoma* Melvena K. Thurman,1983     Produced and Abandoned National Society of Film Critics,1990 To assemble this guide for film lovers in search of intriguing videos to rent Sragow movie critic for the San Francisco Examiner asked 29 fellow members of the National Society of Film Critics for strongly argued reviews of movies they had championed even if that meant going out on a limb     **Time Out Film Guide** John Pym,2004 This guide is a collection of engaging and provocative capsule reviews of films across the spectrum of cinema history from Russian silent movies to American comedies classic documentaries to Japanese anime and beyond     **Chronicles of Oklahoma** James Shannon Buchanan,1989     **Legendary Westerns** Peter Guttmacher,1995 Follows the development of the Western movie from the silent serials to the present blockbusters
