P. Goold, John William Mackail, 1914 Enth Carmina Catullus Elegiae Tibullus Pervigilium veneris Tiberianus      *The Poems of Catullus* Gaius Valerius Catullus, 2007-08 Peter Green is an outstanding translator The reader's excited anticipation of pleasure and instruction on receiving a new translation of a Latin poet by Green is not disappointed This is a labor of love which makes Catullus accessible to the Latinless reader and more familiar to those who can read Latin Susan Treggiari Stanford University For almost half a century Peter Green has been one of the finest of all modern translators of classical verse His Catullus is well up to his usual form recapturing for a contemporary audience the wit malice erudition and erotic charm of the Latin original Mary Beard author of *The Parthenon*      **Roman Lyric Poetry by Catullus and Horace** Gaius Valerius Catullus, Horace, 1969 Poems in Latin introd and commentary in English      *Catullus: Poems* Gaius Valerius Catullus, 2015-03-02 Catullus who lived from about 84 to 54 BC was one of ancient Rome's most gifted versatile and passionate poets Living at a time of radical social change at the end of the Roman Republic he belonged to a group of young poets who embraced Hellenistic forms to forge a new literary style the so called neoterics This comprehensive edition includes the complete unabridged and unbowdlerised poems and is the definitive student edition of Catullus work The extensive introduction covers topics including the role of Catullus literary paramour Lesbia the few biographical certainties known about Catullus life and other figures from the contemporary political scene In addition to this there is a brief overview of the poems textual history discussion of Catullus style across the collection and linguistic discussions of morphology vocabulary syntax and metre The commentary notes include individual introductions and bibliographies to each poem as well as line by line notes which translate difficult phrases and gloss obscure words In addition to this more detailed explanations of poetic structural and contextual points are also provided      **The Poems and Fragments of Catullus** Gaius Valerius Catullus, 2019-11-20 In *The Poems and Fragments of Catullus* the Roman poet Gaius Valerius Catullus artfully manifests the depth of human emotion through a collection of roughly 116 poems ranging from passionate love sonnets to biting invectives Written in a vibrant and dynamic style that defies the conventions of his time Catullus's work transcends mere lyrical beauty

exhibiting a profound understanding of the complexities of love friendship and betrayal His use of innovative meter and form coupled with personal and often raw subject matter situates his poetry firmly within the context of contemporary Roman literature while also revealing the intimate struggles of the poet himself The fragments that remain further highlight the transient nature of art and emotion echoing sentiments that remain relevant through the ages Catullus often regarded as a pivotal figure in the evolution of lyric poetry lived during the late Roman Republic a period marked by social and political upheaval His own tumultuous personal relationships particularly with Lesbia have influenced his work imbuing it with authenticity and emotional impact The poet's defiance against societal norms and his candid exploration of intimacy combined with a rich literary heritage from earlier Greek poets make his writings not just a personal journey but also an exploration of universal themes For scholars and casual readers alike The Poems and Fragments of Catullus is a compelling read that invites reflection on the timelessness of human emotion Its vivid imagery and candid lyrics challenge readers to confront their own experiences of love and loss With each poem Catullus offers a glimpse into the tumultuous world of his heart making this collection an indispensable contribution to the canon of Western literature

### **Lesbia's Door: Her Slave-Girls' Shocking Revelations: The 700-Year-Old Mystery of Catullus's Song-Poem 67**

**Solved Via Cicero's Pro Cae** Gaetano Catelli, 2012-08-01 Clodia the Beautiful Metelli's lineage is comparable to a current British Royal By the reckoning of the imperial biographer Suetonius the patrician Claudii amassed during the lifetime of the Republic a total of twenty eight consulships five dictatorships seven censorships six triumphs and two ovations Skinner Wiseman summarizes M ulier nobilis noble woman is putting it mildly This daughter of the patrician Claudii was not merely a member of an ornamental social lite but at the heart of the ruling class of the Roman Republic Clodia is also the object of a lifelong obsession of the greatest love poet of ancient Rome the emotionally volatile Gaius the Puppy Catullus whose term of endearment for his inamorata is Lesbia an allusion to the poetess Sappho of the Isle of Lesbos And during the final decades of his life the Golden Age of Roman literature's greatest writer of prose conservative stalwart Marcus Tullius Chick Pea Cicero also is preoccupied with Clodia in his censorious and envious fashion In addition to her activities as poetess playwright and patroness of younger men of various talents Austin Clodia is involved in radical politics via promoting the career of her youngest brother Clodius Pretty Boy Pulcher an effete demagogue who is not above employing his mob of plebeian followers to influence political outcomes According to Cicero Clodia has enjoyed a special relationship with her pretty little brother since their youth Even by the standards of ancient Rome Clodia is controversial and the controversy continues to the present day In contradiction to the testimonia of both Cicero and Catullus Skinner the leading authority on Clodia writes T he Clodia of history turns out to be the direct antithesis of the Clodia of myth and It is hard to think of her as the victim of unruly passions she seems on the contrary firmly in control of her own life Based upon the extant record it does appear that Clodia is not the victim of anyone or anything Rather it seems that her cuckold husband Swifty Celer a military commander and Consul of the Roman Empire Catullus the febrile New Poet the tall temperamental russet haired Caelius and

Cicero the great orator and former Consul driven into exile for a time by Clodia's brother Clodius in one way or another are her victims. At all events the irreducible fact is that however much either or both of Cicero and Catullus may be exaggerating the sensational elements of Clodia's conduct, no other woman of the ancient West has inspired so much rousing prose and arousing poetry by two authors who know her personally. Catullus begins *Carmen* 5 the first in which he addresses Clodia as Lesbia. Let's live and let's love my Lesbia and prize the prattle of all the prudish prunes at a penny. Alas Catullus, be careful what you wish for. Rusty Caelius, Catullus's boyhood friend as well as Cicero's prodigal former protégé, eventually supersedes Catullus in Lesbia's affections concurrently with her husband's mysterious death. Three years later Clodia is in the Roman Forum accusing Caelius of having attempted to poison her. Following the likely guilty Caelius's acquittal due to his counsel, Cicero's blistering attack on Clodia's morals, Catullus composes *Song* poem 67, the central focus of this work. The Door. It might candidly be subtitled *And That's Not All*. Unsure himself what to believe with gleeful malice, the jilted Catullus's song poem puts in the mouth of a talkative front door of Clodia's original marital home in Catullus's native Verona the shocking slave girl gossip emanating from within, both regarding the true nature of Clodia's marriage to Celer, the cuckolded Consul, and the real reason Clodia has accused Caelius of trying to poison her.
