Caught in the Web of Deception Charles Fraley, 2000-01-25 Caught in the Web of Deception is a powerful message about being overcome in the last days as Dr Fraley explains those prophetic Scriptures that reveal the cause of his deception. He is well qualified to deliver this message. He lived it. It is written from what he personally experienced. [Killing King Abacus Anthology](#) sasha k, Leila, Wolfi Landstreicher, New introductions by sasha k, Leila and Wolfi Landstreicher plus an anthology introduction Chris Kortright. This is an anthology of the writing tied to Killing King Abacus. Killing King Abacus was started as a writing project to challenge aspects of discourse and practices within the North American anarchist scene by three individuals: Leila, sasha k, and Wolfi Landstreicher. One of the central challenges of this project was to think through, explore, and insurrectionary anarchism as a practice process. This anthology spans a time between 2000-2005, covering Killing King Abacus 1 and 2, Hot Tide Bulletin, which is comprised of anti-authoritarian, anti-capitalist analysis, an exchange between sasha k and Chris Dixon debating dialoging issues of organization, the role of activists and political experts, a collection of letters and articles in other publications that were in response to or in discussion with the larger Killing King Abacus project.
