# Cause Of The South

**TONY. LENNA**

## Cause Of The South:

**God and General Longstreet** Thomas Lawrence Connelly, Barbara L. Bellows, 1995-03-01 More than a century after Appomattox the Civil War and the idea of the Lost Cause remain at the center of the southern mind God and General Longstreet traces the persistence and the transformation of the Lost Cause from the first generation of former Confederates to more recent times when the Lost Cause has continued to endure in the commitment of southerners to their regional culture Southern writers from the Confederate period through the southern renaissance and into the 1970s fostered the Lost Cause creating an image of the South that was at once romantic and tragic By examining the work of these writers Thomas Connelly and Barbara Bellows explain why the nation embraced this image and outline the evolution of the Lost Cause mentality from its origins in the South's surrender to its role in a century-long national expression of defeat that extended from 1865 through the Vietnam War As Connelly and Bellows demonstrate the Lost Cause was a realization of mortality in an American world striving for perfection an admission of failure juxtaposed against a national faith in success **The Lost Cause** Edward Alb Pollard, Edward Alfred Pollard, 1867 **CAUSE AND REPRESENTATION OF THE SOUTH DURING THE AMERICAN CIVIL WAR** TONY. LENNA, 2021 **The Lost Cause** Edward Alfred Pollard, 1866 **The Lost Cause: a New Southern History of the War of Confederates: Comprising a Full and Authentic Account of the Rise and Progress of the Late Southern Confederacy** Edward A. Pollard, 1866 **The Lost Cause** Edward Alfred Pollard, 1867 **The Cause of the South** Paul F. Paskoff, Daniel J. Wilson, 1982 A forum for the South the New Orleans based periodical De Bow's Review was one of the best known and most influential voices of southern interests hopes and fears During the more than two decades of its existence the Review established itself as an indispensable source of fact and articulate opinion in the South In **The Cause of the South** the authors have assembled a representative selection of articles from De Bow's Review that taken together provide a vivid portrait of the intellectual currents that ran through the South in the tense years leading to and immediately following the Civil War De Bow founded his journal to provide a forum for the South's unique agricultural and economic interests but in the politically volatile decade of the 1850s it was not long before the magazine took up the issues and the cause of southern nationalism and proslavery apologetics When the South firmly but reluctantly moved toward secession the Review remained in the thick of the debate ever watchful over the region's interests **The Cause of the South** is the first volume to make readily available a cross section of the contents of De Bow's Review thus revealing the range and the quality of southern thought during more than twenty years of constant concern over the region's future Amazon.com

***The Myth of the Lost Cause and Civil War History*** Gary W. Gallagher, Alan T. Nolan, 2000-11-22 A well reasoned and timely Booklist essay collection interrogates the Lost Cause myth in Civil War historiography Was the Confederacy doomed from the start in its struggle against the superior might of the Union Did its forces fight heroically against all odds for the cause of states rights In reality these suggestions are an elaborate and intentional effort on the part of Southerners to

rationalize the secession and the war itself Unfortunately skillful propagandists have been so successful in promoting this romanticized view that the Lost Cause has assumed a life of its own Misrepresenting the war s true origins and its actual course the myth of the Lost Cause distorts our national memory In *The Myth of the Lost Cause and Civil War History* nine historians describe and analyze the Lost Cause identifying ways in which it falsifies history creating a volume that makes a significant contribution to Civil War historiography The Lost Cause is a tangible and influential phenomenon in American culture and this book provides an excellent source for anyone seeking to explore its various dimensions Southern Historian

The Myth of the Lost Cause Edward H. Bonekemper, 2015-10-05 The former Confederate states have continually mythologized the South s defeat to the North depicting the Civil War as unnecessary or as a fight over states Constitutional rights or as a David v Goliath struggle in which the North waged total war over an underdog South In *The Myth of the Lost Cause* historian Edward Bonekemper deconstructs this multi faceted myth revealing the truth about the war that nearly tore the nation apart 150 years ago *The Ills of the South Or Related Causes Hostile to the General Prosperity of the Southern People* Charles H. Otken, 1894 *The Limits of the Lost Cause* Gaines M. Foster, 2024 *The Limits of the Lost Cause* is a collection of essays that challenge the prevailing ways of thinking about the impact of the Civil War on the American South Foster s introduction provides a comprehensive overview of scholarship on the Lost Cause and Civil War memory that highlights the emergence of two ways of thinking about these topics an older one pioneered by C Vann Woodward that made a case for a southern identity shaped by defeat and guilt and a more recent one prevalent not only in current scholarship but in the press and public discussion that suggests the South is still fighting the Civil War Foster challenges Woodward s definition of southern identity in his first three essays one of which also compares the South s response to defeat to America s response after the Vietnam War His next four essays address diverse topics how Civil War became the war s name and what that reveals the promotion of racist symbolism and also a renewed nationalism in Thomas Dixon s *The Clansman* and D W Griffith s *Birth of a Nation* an exploration of the memory of Robert E Lee that evaluates his suitability to be a hero for today and the white South s role in the expansion of federal power in the first half of the twentieth century Together those essays make a case for reunion and sectional reconciliation by the early twentieth century which undermines the idea that the South was still fighting the Civil War They also point to other lines of division within the United States particularly between the nation s core and its periphery in addition to the one between the North and South Foster s final essay explores the complex divisions that have marked the fight over the public use of the Confederate battle flag over the last thirty years making the case that the Lost Cause has had limited impact on support for the flag Instead Foster suggests debates over the Confederate flag are rooted in differences in wealth and education as well as urban rural and deep partisan divides Throughout these essays and more explicitly in his conclusion Foster argues that whenever one sees a Confederate flag or listens to an argument about Confederate symbolism the temptation to talk about a continuing Civil War obscures more than it illuminates

Far more important he suggests is the extent of reunion and reconciliation between North and South as well as the limits of the Lost Cause Foster believes Americans need to acknowledge not only the failings of the white South but also the racial failings of the nation as a whole The Limits of the Lost Cause addresses issues of significant importance to historians of the United States especially since Civil War memory is currently a trendy topic Foster s work provides an overview of its historiography and offers a distinctive understanding of the Lost Cause that shows how reunion and sectional reconciliation were both important to understanding Civil War memory Since the Lost Cause and the idea of a continuing Civil War are part of an essential contemporary public debate this collection will appeal to a broad audience Above all Foster s work encourages Americans to confront the new divisions within their society even as they wrestle with old national not just southern failings

*Reader's Guide to American History* Peter J. Parish, 1997 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company      The History of North America: The rise of the New South, by P.A. Bruce Guy Carleton Lee, Francis Newton Thorpe, 1905      **Southern Historical Society Papers** Southern Historical Society, 1899      **Ghosts of the Confederacy** Gaines M. Foster, 1987-04-23 After Lee and Grant met at Appomatox Court House in 1865 to sign the document ending the long and bloody Civil War the South at last had to face defeat as the dream of a Confederate nation melted into the Lost Cause Through an examination of memoirs personal papers and postwar Confederate rituals such as memorial day observances monument unveilings and veterans reunions Ghosts of the Confederacy probes into how white southerners adjusted to and interpreted their defeat and explores the cultural implications of a central event in American history Foster argues that contrary to southern folklore southerners actually accepted their loss rapidly embraced both reunion and a New South and helped to foster sectional reconciliation and an emerging social order He traces southerners fascination with the Lost Cause showing that it was rooted as much in social tensions resulting from rapid change as it was in the legacy of defeat and demonstrates that the public celebration of the war helped to make the South a deferential and conservative society Although the ghosts of the Confederacy still haunted the New South Foster concludes that they did little to shape behavior in it white southerners in celebrating the war ultimately trivialized its memory reduced its cultural power and failed to derive any special wisdom from defeat      **Donahoe's Magazine** , 1883      *A Review of the Political Conflict in America, from the Commencement of the Anti-slavery Agitation to the Close of Southern Reconstruction* Alexander Harris, 1919      *Annual Report of the Department of Mines, New South Wales, for the Year* New South Wales. Dept. of Mines, 1883      *Original Investigations of Cattle Diseases in Nebraska, 1886-1888* Frank Seaver Billings, 1889      **The Southern Reporter** , 1908

## **Cause Of The South Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Cause Of The South has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cause Of The South has opened up a world of possibilities. Downloading Cause Of The South provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cause Of The South has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cause Of The South. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cause Of The South. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cause Of The South, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cause Of The South has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
