**The Winds of Moira** Lawrence Sylou-Creutz Ojermark,2011-07-05 What if a prophecy made over a millennium ago slipped beyond the boundaries of the land it had been made and slowly permeated the simple religions of an island far away Traveling the mythical lands of an ancient island known as Lemuria a lone heroine stumbles upon the great city of Moira where all the threads of an intricate web of an ancient prophecy threaten to trap her Using an iron will her mastery of the fighting arts and her magik the lone heroine must battle for her very survival as she struggles to uncover the layers of mystery that have swelled to permeate every aspect of her life and struggle to understand the depths of a quest she did not wish to complete      **In Tennyson Land** John Cuming Walters,1890      *Motorland* ,1926      Through the Year Anna M. Clyde,Lillian Wallace,1898      *Fire Mountain* Norman Springer,2024-11-24 FIRE MOUNTAIN IS A THRILLING SEA STORY BY NORMAN SPRINGER AUTHOR OF THE BLOOD SHIP Years Bright aslant eyes and a suave and ever ready smile that broke immediately Martin met his gaze You will be so good as to inform the honorable that Dr Ichi is here he asked in precise and stilted voice Ever the same the noiseless entry the quietly spoken request for the lawyer Martin repressed a flash of irritation the little Japanese with his uncanny soft footedness and stereotyped address got upon his nerves However his orders were explicit Mr Smatt would see Dr Ichi without delay or preliminary whenever Dr Ichi favored the office with a visit It was already the third visit that day but orders were orders So Martin inclined his head toward the door of Smatt s private office The Japanese crossed the room He bowed to Martin as stately a bow as if Martin were also an honorable instead of a poor devil of a law clerk then noiselessly as he had entered the outer office Dr Ichi disappeared within Smatt s sanctum Martin turned to his window again But his bright day dream was fled and he could not conjure it back again The view was without charm His thoughts despite himself persisted in centering upon the dapper little figure now closeted with his employer The dandified Jap aroused Martin s interest What manner of client was this Dr Ichi Martin had not seen a single scrap of paper nor had Smatt dropped a single hint concerning the case It was mysterious Martin was not an overly curious chap but he was human It was another of Smatt s secret cases thought Martin Another token of those hidden activities of the old vulture which he sensed but did not know about For though Martin attended to the routine work though his duties were responsible Smatt specialized and was prominent in maritime law still Martin knew he did not enjoy his employer s complete confidence Much of Smatt s time was taken up with cases Martin knew nothing about with clients who appeared to shun the daylight of the courts The Nippon Trading Company for instance Martin knew Smatt was interested in a company of that name a strange company that apparently conducted business without using the mails And there was business between Ichi and Smatt money or Smatt would have nothing to do with it The mystery aroused Martin s dormant curiosity But all his speculation was pointless Martin bethought himself of the marine affidavit lying uncompleted upon his desk He turned from

the window with the intention of applying himself to that task and he discovered the office to have a second visitor Another unusual figure who possessed the penchant for surreptitious entry He observed the fellow in the very act of closing the office door
