LETTER FROM A LEPRECHAUN

(Optional, read this at the beginning of the activity to help activate student knowledge, give students a role and set a sense of purpose for the activity. I've noticed that students tend to engage more, and connect more easily when they hold a clear role and purpose.)

Hi class,

I'm Lucky the Leprechaun, only lately, I'm not feeling so lucky. With St. Patrick's Day coming up, I'm feeling a little overwhelmed. There's just too much pressure placed on us leprechauns, every year, boys, and girls across the world expect us to leave gold coins under their pillows and throw around luck like it's confetti or something! Well, you know up, I'm tired! This year I'm going to disguise myself as something else and I need your help. I don't know what I want to be, I just know I don't want anyone to be able to recognize me as a leprechaun! Your task is to disguise me as something else, anything else! Use your creativity here, I need to make sure no one suspects a thing!

Thank you so much for your help, I can't wait to see what you come up with!

With love,

Lucky the Leprechaun
