*Celebrate Me-Land* Eva Thayer, 1998-02-01      Bernard Eugene Meland's Unpublished Papers John N. Gaston, 2012-12-18 Bernard Eugene Meland 1899 1993 was a leader in the pragmatic tradition of constructive theology associated with the University of Chicago This volume contains more than forty six previously unpublished lectures reports and other personal documents that Meland wrote at various times between 1937 and 1979 It is a companion volume to W Creighton Peden's book *Life and Thought of Bernard Eugene Meland American Constructive Theologian 1899 1993* and is intended to give the reader a deeper understanding of Meland's methods and thought      Celebrated travels and travellers, tr. from [*Histoire des grands voyages et des grands voyageurs*]. Jules Verne, 1880      **In Praise of Religious Diversity** James Wiggins, 2013-12-19 As dialogue among the religions of the world has increased the promotion of these exchanges by Christians both Roman Catholic and Protestant raises the question of the motives behind these discussions Some Christians reach out in good will others display defensive hostility still others are simply following the mandates of their church Religious diversity rather than pluralism challenges citizens of the world to learn from the differences between religions rather than glibly assuming their commonality Acknowledging these differences *In Praise of Religious Diversity* promotes active conversation rather than conventional dialogue as the mode of meeting between the religions Only through a contemporaneous exchange of ideas can the benefits of diversity be realized This new level of communication poses an exciting prospect from which previously unrecognized alternatives for religion and relationships between religions might contribute to even greater human possibilities      **Process Studies**, 1977      *The Celebrated Crown Trial (over a Thousand Members on the Jury)* John Demosthenes N.
