Creating Literacy Instruction for All Students Thomas G. Gunning,2005 With its inclusive view of literacy Creating

Literacy Instruction for All Students emphasizes methods that have been validated by research and practice while delivering the basics of all major aspects of reading and writing. The Fifth Edition of this best-selling book continues to be a comprehensive practical text that provides its readers with step by step guidance for teaching reading and writing. Written by distinguished author Tom Gunning, this text features sample lessons for virtually every major literacy skill strategy and offers numerous reinforcement suggestions and generous listings of materials. With its careful balance between the theory and the practice, readers are always given the theories behind the methods, encouraging them to choose, adapt, and construct their own approaches as they create a balanced program of literacy instruction. Special emphasis has been given to adapting instruction for English language learners, struggling readers and writers, and special needs students throughout the book. Unlike comparable texts, the new edition stresses effective steps for closing the gap between achieving and struggling readers as mandated by the No Child Left Behind legislation and Reading First.

Effective Reading Strategies Timothy V. Rasinski, Nancy Padak, 2004. *Effective Reading Strategies: Teaching Children Who Find Reading Difficult* Third Edition offers the teaching community a wealth of instructional strategies and activities. This book is aimed at strengthening and developing the reading skills of children who find the subject hard to grasp, including those for whom English is a second language. The broad-based remedial and corrective reading instruction focuses on several areas: phonemic awareness, decoding, fluency, vocabulary, and comprehension. Teachers can combine and modify the various reading strategies and activities to fit their current curricula. Other features of this book: A clear focus on scientifically based research, including summaries of the National Reading Panel's findings and compliance strategies for the Elementary and Secondary Education Act; No Child Left Behind Professional commentary: Real teachers' opinions and classroom experiences interwoven with the strategies and activities, illustrating their application in today's classrooms; High Frequency Words Appendix: O provides a listing of common words for instructional focus.

Evidence-based Instruction in Reading Nancy Padak, Timothy V. Rasinski, 2008. Learn to enhance your assessment and teaching of fluency. Finally, teachers have access to a professional development series: *Evidence Based Instruction in Reading*, written specifically to guide them in sharpening their understanding of the five key components to Reading First: phonemic awareness, phonics, vocabulary, fluency, and comprehension. This book focuses on fluency, but each volume in the five-part series addresses one key component and presents friendly tips and strategies that teachers can take right into the classroom. How to make Fluency work for you. Consider recommendations for incorporating appropriate reading materials, fostering productive home-school connections, and promoting students' desire to learn to read and write. Read about the findings of current key research studies and learn about their implications for classroom practice. Discover how to evaluate your current practices and create concrete plans for change. Start a learning community or book club and share your knowledge with colleagues. Access useful resources and links to extend and enrich your own learning beyond the classroom. Teachers rave about *A Professional Development Guide to Fluency*. This book is a godsend. The professional

development section of each chapter encourages teachers to reflect upon their current practices and actually make an action plan for improving their practices This book will make a great book study for literacy coaches to do with their teachers Tracy Hendrix Literacy Coach Carnesville Elementary School Carnesville GA Also available in the Evidence Based Instruction in Reading series A Professional Development Guide to Phonemic Awareness 2008 ISBN 0 205 45628 6 A Professional Development Guide to Phonics 2008 ISBN 0 205 45630 8 A Professional Development Guide to Vocabulary 2008 ISBN 0 205 45631 6 A Professional Development Guide to Comprehension 2008 ISBN 0 205 45627 8 Holistic Reading Strategies Timothy V.
