Celebrating Cigars:

Celebrating Cigars Anwer Bati, 2005-03 Celebrating Cigars illustrates more fine cigars many in actual size than any other book. It also has more superb color photos of state of the art accessories, humidors and paraphernalia. And more than an illustrated survey, it is an entertaining read with plenty of stories about cigar connoisseurs and their favorite smokes. Anwer Bati takes you through the history of cigars and how they are made, before looking in detail brand by brand at all the world's great handmade cigars. The book continues with a fascinating miscellany of information from experts, lists of best cigars to the author's practical tips on how to smoke. After a look at some of the most beautiful accessories and boxes, the book closes with the perfect accompaniment to your end of evening smoke: anecdotes from famous cigar smokers from Mark Twain and Groucho Marx to Danny DeVito and John F. Kennedy, all of whom have had something witty and revealing to say about one of life's true pleasures.

The Good Cigar Harry Paul Jeffers, Kevin Gordon, 1997 What is it about the allure of a good cigar, its smokey flavor, its lingering aroma that has caused it to leave such a lasting impression on American culture and society? Why are cigars back again with cigar tastings, cigar bars and cigar friendly restaurants suddenly appearing everywhere? In The Good Cigar, two lifelong cigar lovers explore the cigar phenomenon and trace it through history from the discovery of tobacco in America to its place in society today. Throughout these pages you'll read about famous cigar smokers, the cigar in literature and the arts, and the story behind cigar bands and boxes. You'll also learn about how cigars are made, what to look for in a cigar, how to light and smoke a cigar, advice on accessories such as humidors and cutters, and a handy ratings chart of over 150 of the top cigar brands. For the connoisseur and novice alike, The Good Cigar will enhance an evening at fireside with a good cigar.
