Celebrating Holy Week In A Post Holocaust World:

Celebrating Holy Week in a Post-Holocaust World Henry F. Knight, 2004-12-01 An ongoing issue for clergy as well as Christians in general is how to approach New Testament narratives about the crucifixion of Jesus in relation to Jews Judaism and the horrific events of the Holocaust The events of Holy Week pose particular challenges for clergy and congregations In this book Henry Knight helps us deal with Holy Week texts in light of our post Holocaust world and provides practical examples of prayers liturgies and resource material to help pastors prepare for and lead worship and teach during this important time in the life of a congregation In Search for a Theology Capable of Mourning H. Martin

Rumscheidt, 2017-10-20 To what extent are the children of Holocaust perpetrators to feel remorseful or responsible for their parents wrongdoing Is the yearning by those offspring of Nazi sympathizers for forgiveness justified or should they separate themselves from their parents or relatives and ignore the history Such dilemmas have gnawed at theologian Martin

Rumscheidt ever since at age eighteen he discovered his father s complicity in using Jewish slave labor at his workplace IG Farben He has written and spoken extensively about his journey in search of what he calls a theology of mourning that would preserve his concept of the reality of God and still recognize the reality at times grim reality of life Confronting Genocide

Steven L. Jacobs, 2009-01-01 Confronting Genocide Judaism Christianity Islam is the first collection of essays by recognized scholars primarily in the field of religious studies to address this timely topic In addition to theoretical thinking about both religion and genocide and the relationship between the two these authors look at the tragedies of the Holocaust the Armenian Genocide Rwanda Bosnia and the Sudan from their own unique vantage point In so doing they supply a much needed additional contribution to the ongoing conversations proffered by historians political scientists sociologists psychologists and legal scholars regarding prevention intervention and punishment Book jacket *Elie Wiesel* Alan L.

Berger, 2018-11-08 Elie Wiesel plucked from the ashes of the Holocaust became a Nobel Peace laureate an activist on behalf of the oppressed a teacher an award winning novelist and a renowned humanist He moved easily among world leaders but was equally at home among the disenfranchised Following his Nobel Prize Wiesel established the Elie Wiesel Foundation for Humanity one of their early initiatives was the founding of the Elie Wiesel Ethics Essay Contest The reflections in this volume come from judges of the contest They share their personal and professional experiences working with and learning from Wiesel providing a glimpse of the person behind the public figure At a time when the future seems ominous and chaotic at best these reflections hold on to the promise of an ethically and morally robust possibility The students whose essays prompt this sense of hope are remarkable for their insight and dedication The messages embedded in the judges reflections mirror Wiesel s convictions about the importance of friendship the need to interrogate without abandoning God and the power of remembrance in order to fight indifference Maven in Blue Jeans Steven L.
