the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don t discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today **Brotherhood of Locomotive Engineer's Monthly Journal** ,1900
