Handbook of Technological Pedagogical Content Knowledge (TPACK) for Educators Michael Phillips,Evrin Baran,Punya Mishra,Matthew J. Koehler,2025-11-24 The third edition of the Handbook of Technological Pedagogical Content

Knowledge TPACK for Educators addresses the concept and implementation of technological pedagogical content knowledge. One of the most highly cited and widely recognized frameworks in educational technology, the TPACK construct provides teachers with the knowledge and skills they need to meaningfully integrate technology into teaching in specific content areas. This thorough substantive revision explores the emerging theoretical developments, empirical efforts, digital technologies, and diverse contextual factors that impact TPACK's evolution and enactment around the world. Critical perspectives on TPACK research on its deployment across specific content areas and integration into teacher education and professional development frame a variety of new and updated chapters covering research methods, contextual knowledge, artificial intelligence, and more. The Handbook of Technological Pedagogical Content Knowledge TPACK for Educators is simultaneously a mandate and a manifesto on engagement with technology in today's classrooms. How to Get on Podcasts: Cultivate Your Following, Strengthen Your Message, and Grow as a Thought Leader through Podcast Guesting Michelle Glogovac, 2024-02-27. How to leverage podcast guesting to elevate yourself as a thought leader, generate more revenue, and promote your business all for little to no cost. The explosion of social media, AI-enabled online advertising, and the overall cacophony of the internet has made it harder than ever to connect a message with an audience. One of the most powerful emerging tools for cutting through that noise is being a guest on podcasts or podcast guesting. Michelle Glogovac aka The Podcast Matchmaker™ knows the impact podcast guesting has on business and brand growth. She helps entrepreneurs, nonprofit leaders, activists, experts, and authors promote themselves, their businesses, organizations, stories, and expertise via podcast interviews. In *How to Get on Podcasts*, she teaches you how to create unique speaking topics without being generic, define your ideal audience, design branded media kits, establish your expertise and knowledge, share yourself freely without resorting to sales tactics, tell compelling stories, repurpose your interviews into evergreen marketing content, turn every interview into a valuable business opportunity. There are more than two million podcasts out of which 500,000 host expert guests, a huge opportunity for leveraging a free and robust marketing tool if you have the know-how. With *How to Get on Podcasts*, you have everything you need to increase business, boost your career, and brand, and elevate your thought leadership potential. **Understanding Crisis in Critical Care** Ronaldo Collo Go, 2021-11-26. The first detailed retrospective of the spread and management of COVID-19 and a blueprint for better management of the next major healthcare crisis. From a team of global experts, *Understanding Crisis in Critical Care* describes the global spread of COVID-19 and analyzes how it was managed compared to other deadly epidemics such as SARS and MERS. The book features contributors from across the world who dealt first-hand with COVID-19, making this a truly global retrospective on new global pandemics. Organized into three sections, the text covers critical care changes associated with crises, crises in pandemics, trauma, and crises in war and natural disasters. You'll learn how hospitals are transformed to accommodate surges in patients while dealing with shortages in staffing, medications, mechanical ventilators.
