**The Ultimate Long-Distance Dads Guide** Drs. Danny R. Andreas Msc., 2025-05-15 I've lived it myself. I wrote this book to share the knowledge I wish I'd known ten years ago, before I became a distance dad, before the legal battles and before parental alienation began. It would have saved me so much time, energy, sanity, and money. You can't always be near your child. But that doesn't mean you can't still be their dad. Read this book if you want to build bonds that distance, legal obstacles, or parental alienation can't break. Own Fatherhood It Matters Today Through research and trial and error, I developed strategies across many areas that actually work. The close bond my child and I share today, despite all the odds, is living proof of that. My book is filled with practical, easy-to-follow tips you can apply right away. It's not rocket science. In fact, you'll see much of it is just common sense. Some of the things you'll learn: Parent your child positively and effectively, even from afar. Build and keep a meaningful bond at each developmental stage. Use tech and smart tricks to turn boring video calls into engaging moments. Handle legal battles and parental alienation as a divorced or long-distance dad. Save money on legal fees, travel, and gifts. You don't need permission to be a dad. You just need the right knowledge and tools. Let this guide help you become the dad your child remembers and respects, no matter the circumstances.

**So Good They Call You a Fake** Joshua Lisec, 2023-06-15 They call you a fake because you're the best. Being called a fake is the last rite of passage on the internet. In the relentless pursuit of excellence, you only know you've arrived when you have haterz, your most valuable marketers. So Good They Call You a Fake is how you get there. This book teaches step by step, with no steps skipped, how to get the visibility you've already earned, become an energy monster who thrives on all kinds of attention, and then monetize that attention to the max.
