The Everything Guide to Remote Work Jill Duffy, 2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work. During COVID-19, working from home became the new normal. Now both employers and employees find that the remote work they were forced to adjust to may be well better financially, sustainably and even in terms of overall morale and productivity. But working from home is not without its challenges. It can be difficult to eliminate distractions, strike a solid work-life balance and maintain social connections that are crucial in the workplace. Whether you're trying to find and land a job from the comfort of your home, learning to manage a virtual team or dream of living a digital nomad lifestyle, *The Everything Guide to Remote Work* has everything you need to be successful. You'll learn to optimize your own workplace culture, whether it's in your home office or a constantly changing backdrop. So whether your company continues to work remotely full-time or you only have to go to the office a few days a week, you'll be armed with all the tools you'll need to make the most out of this new lifestyle.

Remote Working Alan Felstead, 2022-01-20 The coronavirus pandemic forced work back into the home on a massive scale. The long-held belief that work and home are separate spheres of economic life was turned on its head overnight. Many employees were new to this way of working and many employers had to manage a disparate workforce for the first time. This book reviews what impact this shift had on the lives of millions of employees, the organisations which employ them and the societies in which they live. It also looks to a future in which more work is carried out remotely, at home, in the local café, restaurant or bar or while moving from place to place. The book synthesises the existing evidence in an accessible and easy-to-read way. It will appeal to all those who want a quick and concise
