Shoker,2023-03-26 If you're reading this it means you own a business and want to make more sales with social media. However, you might have problems creating content, ideas, getting more engagement, getting more followers to go to your website, booking a call with you, or buying one of your products, filming your videos, or something in between. Don't worry; your problems will go away when you learn some of the best-kept secrets in the industry. This book has been ten years in the making. Hi, I'm Aron Shoker. I've been video editing for 10 plus years and now work with six and seven figure clients. But it wasn't always the case. I was once like you, stuck with social media. I just didn't know how to make it work. This situation changed when I invested thousands of dollars into getting mentors. I've also directly learned from the world's top 1% of marketers and video editors. I shouldn't be sharing this, as clients have paid me thousands to learn this, but I'm here to help you succeed. In this book, I will break down EXACTLY how to level up your social media accounts so you can turn them into a money-making machine. This book is entirely different to other books of its sort as they generally give information that you've already heard a million times before; that is generic and only provides the what to do, not much on the how. No wonder most books do not get the reader's results. That will now change. I will give step-by-step instructions in this book from sorting your social media accounts to making money. But remember, you will be learning knowledge only the top 1% of people worldwide know. This knowledge has generated millions of dollars in revenue. If you implement just 10% of what you learn, I promise you you will see results. Get a pen and paper ready and let's start.
