### **Covid-19 and the Global**

**Political Economy** Tim Di Muzio, Matt Dow, 2022-09-26 Covid 19 and the Global Political Economy investigates and explores how far and in what ways the Covid 19 pandemic is challenging restructuring and perhaps remaking aspects of the global political economy Since the 1970s neoliberal capitalism has been the guiding principle of global development fiscal discipline privatisations deregulation the liberalisation of trade and investment regimes and lower corporate and wealth taxation But after Covid 19 will these trends continue particularly when states are continuing to struggle with overcoming the pandemic and violating one of neoliberalism's key principles balanced budgets The pandemic has exposed the fragility of the global political economy and it can be argued that the intensification of global trade tourism and finance over the past 30 years has facilitated the spread of infectious diseases such as Covid 19 Therefore economies in lockdown jittery markets and massive government spending have sparked interest in potentially re evaluating certain features of the global political economy This volume brings together leading and upcoming critical scholars in international relations and international political economy to provide novel timely and innovative research on how the Covid 19 pandemic is impacting and will continue to impact the global economy in important dimensions including state fiscal policy monetary policy the accumulation of debt health and social reproduction and the future of austerity and the fate of neoliberalism This book will be of great interest to students scholars and experts in international relations and international political economy as well as history anthropology political science sociology cultural studies economics development studies and human geography Chapter 8 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
