sell skills you already have even if you think you don't have any. From AI-assisted virtual assistants to social media managers, blog writers, resume optimizers, and small business automation consultants, every idea comes with demo prompts you can use right now. Feeling creative? AI can help you design logos, generate print-on-demand art, create videos, e-book covers, and more, all in record time. Learn how to set up content-driven businesses like YouTube channels, faceless TikTok accounts, newsletters, and podcasts, then monetize them using AI for research, scripts, SEO, and more. Digital products? Check. Local businesses? Covered. Side hustles that can grow into full-scale operations? Absolutely. You'll also learn how to name, brand, price, and launch your business, build websites, automate daily tasks, and market on a zero-dollar budget with AI-powered growth hacks. When it's time to scale, AI helps you hire, delegate, track analytics, and design growth plans so you can move from hustle to brand. This book is more than a list of ideas; it's a blueprint, a prompt library, and a step-by-step guide rolled into one. Every chapter includes hands-on demos and AI prompts you can use immediately to make progress. By the time you finish, you won't just have ideas; you'll have a fully AI-powered roadmap for building your business and growing it to the next level. Whether you're looking for a side hustle, a digital venture, or your next full-time business, this book shows you how to start, test, and scale without excuses.

About the Author: My name is Meir Liraz, though you'll find this book under my pen name Tom Berty. I write the AI for Entrepreneurs series, combining decades of real-world experience with today's smartest tools. For over 30 years, I've built businesses, guided entrepreneurs, and explored nearly every corner of the small business world. Along the way, I've learned what works, what doesn't, and how to help others succeed faster. My goal is simple: to make entrepreneurship clearer, smarter, and more accessible for everyday folks. As far as entrepreneurship goes, I've been there, done that, and now I'm here to share what really works.
