## **Actionable Content Calendar Template Guide Near Me:**

The Content Planner Angela Crocker, 2017-02-01 It's important for bloggers to publish frequent unique content but they often struggle to take action. Some are overwhelmed at the prospect of brainstorming topics to write about, let alone writing and publishing the content. Many others are unable to organize their ideas into a viable publishing schedule and so they end up publishing nothing. By using an editorial calendar to plan online content in advance, businesses save time and build relationships with customers. At the same time, they will learn to write more professionally, share content consistent with their brand, and better serve their customers and potential customers. The Content Planner provides a structure that focuses each business on content that supports their business objectives. The Content Planner is for anyone who publishes online. You might own an established business or be starting a new entrepreneurial venture. Maybe you're a creative entrepreneur, a writer, an artist, a musician wanting to raise your profile and share your work with a wider audience. Whatever your role and situation, this book will help you get your ideas online efficiently and effectively. By using an editorial calendar to plan a month of online content in advance, each business saves time, builds relationships with customers, writes more professionally, shares content consistent with the brand, better serves their customers and potential customers. The Content Planner provides a structure that focuses each business on the types of content that support their business objectives. The process also formalizes their plans in a pen on paper calendar to use as a work plan. By knowing what to write about and when, writers can take timely action. The download kit includes Goal Tracking Worksheet, Promotion Checklist, Calendars for Planning. And more content planning resources.
