

# 250+ Short Story Ideas

- Loneliness is a strong emotion. Write about a time when you felt alone and what did you do to cheer yourself up?
- Think about the funniest thing that happened in your life and use it as an inspiration for your next short story.
- Write a short story about a mad scientist who has found a way to combine human DNA with animal DNA to create super humans.
- Overpopulation has become a big problem in the future. To deal with the rising population, half of the world's population is forced to live in space pods floating around space. Only when the population on Earth is controlled can these people return to Earth.
- An expedition in the Amazon rain forest gets deadly when you and your team encounter a group of warriors protecting the rain forest from outsiders.
- A group of hunters searching for an endangered wolf in the mountains get more than what they bargained for when they finally find the wolf's den.
- There's an old ancient belief that the ocean is alive. When pirates pollute it with rubbish and hurt the sea creatures it makes the ocean angry. Write a short story from the perspective of the ocean.
- The main character of your story has just discovered that she is a mermaid and that there is a whole underwater kingdom for her to rule.
- Your best friend and you sneak into the school cafeteria after school to steal some food. But as soon as you open the door you hear the dinner ladies chanting some spell over something that looks like a smoking cauldron.
- One by one students from your class are going missing. It's up to you to find out what happened to them.
