launch a successful platform that goes viral and stays that way      Content Creator Myra E Looring,2020-11-09 What do today's young influencers know that you don't? Are you spending much of your day online scrolling through social media or viewing endless streams of videos? As fun and relaxing as this may be, it can sometimes feel like a whole day has gone by without accomplishing anything productive. If you're looking to become more active online and maybe make some money from it, why not become a content creator? Nowadays, anyone with a computer and an internet connection can create and upload content. In fact, most of us do. But to be part of the special few that stand out and gain a following, there's more that needs to be done than just shooting and posting a video. Excellent videos have a few things in common that make them successful: widely shared and profitable. They're often high quality, well edited, and concise. Not only that, they are somehow able to make you feel like they're talking straight to you, even though they're made for a large audience. So what's the recipe for online success? Content Creator is a handy guide that will lead you through the process and give you proven tips for creating content that connects with people. Inside here is just a fraction of what you will discover. The 1 thing to always keep in mind when creating content that will make your videos more personal and engaging: Brainstorming habits to ensure that you'll never run out of content ideas. The secret to getting 10x more views on your Facebook video posts and how to lead them to your YouTube channel. Why having a million subscribers won't guarantee significant income and how the top content creators earn their millions. The key metric you need to track that will help you appear in recommended and suggested video lists and boost your views. 8 subtle but effective ways to turn a casual viewer to a committed subscriber. The important but often neglected detail of your videos that will affect whether or not someone will click on your content. A powerful strategy that will increase your exposure and multiply your reach without any additional effort. And much more. It's amazing what you can learn about yourself when you start creating instead of consuming. You never know how creative you are until you consistently come up with new ideas and produce great content. You'll build useful marketable skills that will make you more attractive to potential employers. You can expand your network considerably by interacting with viewers and other creators. You also get to discover more about your chosen niche and as well as yourself and what you're capable of. And the potential millions in income. That will just be icing on the cake. If you want to flex your creative muscles, indulge in your passion, and even get to earn at the same time, then scroll up and click the Add to Cart button right now.
