journey to wealth begins today **Uncertainty x Design** Ronald A. Beghetto, 2023-11-02 Realizing more promising futures
starts in the here and now This book seeks to help young people learn how to become the creative authors of their own lives
by approaching current and future uncertainties with an unshakeable sense of possibility It describes how students can
benefit from opportunities to develop their confidence and competence in taking creative action in the face of uncertainty by
design It introduces a framework for educators researchers and parents to understand design and examine efforts aimed at
helping young people learn how and when to unleash their creative potential now and into the future Preparing Teachers
for Social Change Babak Dadvand, Jo Lampert, Clare Brooks, 2025-10-08 This book critically evaluates the dynamic landscape
of teacher education on a global scale delving into its recent advancements innovations and emerging paradigms Recognizing
the need to arm teachers with the capacity to address contemporary challenges the authors emphasize inventive approaches
within teacher education that can foster the ability to confront problems such as unprecedented inequality resurgence of
ultra right movements environmental crises and the interconnected dilemmas of today's world By analysing the intricacies
strengths and limitations inherent in existing teacher education models Dadvand Lampert and Brooks and their contributors
examine current frameworks and consider the potential and drawbacks in preparing educators to effectively tackle
multifaceted challenges The chapters focus on the opportunities and limitations presented by ongoing trends in Initial
Teacher Education particularly in relation to the most urgent issues of our time This valuable resource for educators
policymakers and researchers is an essential read for anyone committed to fostering social justice and inclusive education
and seeking to equip educators for the challenges of today's world **Multidisciplinary Research in Arts, Science &
