hear from you *Mindset Secrets* Stanley Pearson,2019-10-16 I remember going into high school and then heading into college hoping I had what it took to survive Growing up my parents always had me reciting some jingle or phrase from Zig Ziglar or looking up a quote from Wayne Dyer or Les Brown It often felt like a positive mindset was imprinted from the beginning of my life from the inside out What I also came to understand was that didn't mean every day would be perfect or that every situation would go my way It's not always easy to keep a positive mindset as a teen but it is still worth it I wish more teens knew that when I was younger and as I travel the country and different parts of the world I wish more knew that today Having a strong mindset and authentic confidence are two skills that help you rise above the noisy times in life As important as mindset and confidence are they are not taught in school to our young people As I got older I always wanted to create a tool that would help those who came after me and those who may face some of the same struggles I've faced Mindset Secrets delivers straight forward actionable tips to help Teens be successful They don't have to do all 50 at once however they will improve if they are willing to do one year and add them on as they get more comfortable People often say if they had the resources or the opportunity to develop themselves more they would Mindset Secrets promises to deliver easy tools to develop grow and inspire Teens in their everyday lives *The Teen Guide to Global Action* Barbara A.
