Lumber Manufacturer and Dealer ,1911      Urban Mobility Shauna Brail,Betsy Donald,2024-08-30 Urban Mobility sheds  
light on mobility in twenty first century Canadian cities The book explores the profound changes associated with  
technological innovation pandemic induced impacts on travel behaviour and the urgent need for mobility to respond  
meaningfully to the climate crisis Featuring contributions from leading Canadian and American scholars and researchers this  
edited collection traverses disciplines including geography engineering management policy studies political science and  
urban planning Chapters illuminate novel research findings related to a variety of modes of mobility including public transit e  
scooters bike sharing ride hailing and autonomous vehicles Contributors draw out the connections between urban challenges  
technological change societal need and governance mechanisms The collection demonstrates why the smart phone COVID 19  
and climate present a crucial lens through which we can understand the present and future of urban mobility The way we  
move in cities has been disrupted and altered because of technological innovation the lingering impacts of COVID 19 and  
efforts to reduce transport related emissions Urban Mobility concludes that the path forward requires good public policy  
from all levels of government working in partnership with the private sector and non profits to direct and address the best  
urban mobility framework for Canadian cities
