Big Book of Virtual Teambuilding Games: Quick, Effective Activities to Build Communication, Trust and Collaboration from Anywhere! Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they're in the same room Whether you're videoconferencing with team members across the world or emailing a colleague sitting ten feet away the truth is evident technology has permanently altered the way we communicate The virtual workplace can facilitate quicker decision making and reduced overhead But the lack of face to face interaction can also impede trust innovation and creativity among team members The Big Book of Virtual Team Building Games is packed with games and activities for developing productive virtual teams across all digital platforms including email mobile devices web based conferencing tools and social media sites such as Facebook Twitter and Skype The Big Book of Virtual Team Building Games helps you Build a greater sense of community and reduce conflict Increase levels of engagement Get the most out of more introverted team members Boost team members productivity Make sure that the only thing separating your people is distance The Big Book of Virtual Team Building Games is just the tool you need to develop trusting relationships foster clear communication and use technology to enhance the team's connections

Virtual Leadership Penny Pullan, 2016-08-03 The future of work is virtual with dispersed teams telecommuting remote working and virtual meetings becoming the norm across sectors and industries around the world However leading virtual teams requires a new set of skills and a facilitative leadership approach Virtual Leadership is here to help At its best virtual working can be productive and creative tapping into the best people wherever they are and bringing skills and experience together efficiently and at low cost But it can also lead to isolated and disengaged workers ineffective communication and uncoordinated and even counter productive activity Virtual Leadership provides practical strategies tools and solutions for the key issues involved in managing at a distance How can I provide leadership motivation and vision through virtual channels How do I make virtual meetings effective engaging and productive and ensure actions are followed through How do I create engaged and cohesive teams across distance cultures and languages How do I stop virtual team members silently checking out distracted by local challenges and offline issues With diverse case studies and examples this is the essential guide to making a difference as a leader of virtual work

Working at a Distance Cassandra J. Smith, 2016-02-11 Organizations are implementing virtual teams using web technologies as a cost effective measure for training and project development In *Working at a Distance* Cassandra Smith provides a detailed comprehensible virtual team business model for managers professionals teachers or students involved globally with such initiatives The author argues that guidance for members of such teams is generally lacking They are left to figure out their places on the team and face a host of other issues the impact of which can be ameliorated with a virtual team business model that anyone working at a distance can follow Cassandra Smith has taught courses online and facilitated virtual teams The model she has created based on that experience maximizes the benefit to be gained from individual

members skills personality styles and the strengths of each active participant It will enable teams to set up viable working plans and work cohesively at a distance The model also provides for conflict management in virtual environments Built on research and practical experience the empirical data and subject experts views captured by the author and the model offered here will help all stakeholders of businesses or educational institutions where managers employees and clients or teachers and students are working at a distance to achieve desired outcomes
